(c) Article 1 definitions and principles. Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

§ 9-103. Purchase-Money Security Interest (PMSI); Application of Payments; Burden of Establishing.

(a) Definitions. In this section:

(1) “purchase-money collateral” means goods or software that secures a purchase-money obligation incurred with respect to that collateral; and

(2) “purchase-money obligation” means an obligation of an obligor incurred as all or part of the price of the collateral or for value given to enable the debtor to acquire rights in or the use of the collateral if the value is in fact so used.

(b) Purchase-money security interest in goods. A security interest in goods is a purchase-money security interest:

(1) to the extent that the goods are purchase-money collateral with respect to that security interest;

(2) if the security interest is in inventory that is or was purchase-money collateral, also to the extent that the security interest secures a purchase-money obligation incurred with respect to other inventory in which the secured party holds or held a purchase-money security interest; and

(3) also to the extent that the security interest secures a purchase-money obligation incurred with respect to software in which the secured party holds or held a purchase-money security interest.

(c) Purchase-money security interest in software. A security interest in software is a purchase-money security interest to the extent that the security interest also secures a purchase-money obligation incurred with respect to goods in which the secured party holds or held a purchase-money security interest if:

(1) the debtor acquired its interest in the software in an integrated transaction in which it acquired an interest in the goods; and

(2) the debtor acquired its interest in the software for the principal purpose of using the software in the goods.

(d) Consignor's inventory purchase-money security interest. The security interest of a consignor in goods that are the subject of a consignment is a purchase-money security interest in inventory.

(e) Application of payment in non-consumer-goods transaction. In a transaction other than a consumer-goods transaction, if the extent to which a security interest is a purchase-money security interest depends on the application of a payment to a particular obligation, the payment must be applied:

(1) in accordance with any reasonable method of application to which the parties agree;

(2) in the absence of the parties' agreement to a reasonable method, in accordance with any intention of the obligor manifested at or before the time of payment; or

(3) in the absence of an agreement to a reasonable method and a timely manifestation of the obligor's intention, in the following order:

(A) to obligations that are not secured; and

(B) if more than one obligation is secured, to obligations secured by purchase-money security interests in the order in which those obligations were incurred.

(f) No loss of status of purchase-money security interest in non-consumer-goods transaction. In a transaction other than a consumer-goods transaction, a purchase-money security interest does not lose its status as such, even if:

(1) the purchase-money collateral also secures an obligation that is not a purchase-money obligation;

(2) collateral that is not purchase-money collateral also secures the purchase-money obligation; or

(3) the purchase-money obligation has been renewed, refinanced, consolidated, or restructured.

(g) Burden of proof in non-consumer-goods transaction. In a transaction other than a consumer-goods transaction, a secured party claiming a purchase-money security interest has the burden of establishing the extent to which the security interest is a purchase-money security interest.

(h) Non-consumer-goods transactions; no inference. The limitation of the rules in subsections (e), (f), and (g) to transactions other than consumer-goods transactions is intended to leave to the court the determination of the proper rules in consumer-goods transactions. The court may not infer from that limitation the nature of the proper rule in consumer-goods transactions and may continue to apply established approaches.

§ 9-104. Control of Deposit Account.

(a) Requirements for control. A secured party has control of a deposit account if:

- (1) the secured party is the bank with which the deposit account is maintained;
- (2) the debtor, secured party, and bank have agreed in an authenticated record that the bank will comply with instructions originated by the secured party directing disposition of the funds in the deposit account without further consent by the debtor;
- (3) the secured party becomes the bank's customer with respect to the deposit account;
- (4) the name on the deposit account is the name of the secured party or indicates that the secured party has a security interest in the deposit account; or
- (5) another person has control of the deposit account on behalf of the secured party or, having previously acquired control of the deposit account, acknowledges that it has control on behalf of the secured party.

(b) Debtor's right to direct disposition. A secured party that has satisfied subsection (a) has control, even if the debtor retains the right to direct the disposition of funds from the deposit account.

(c) No implied duties of bank. The authentication of a record by the bank under subsection (a)(2) does not impose upon the bank any duty not expressly agreed to by the bank in the record. The naming of the deposit account in the name of the secured party or with an indication that the secured party has a security interest in the deposit account under subsection (a)(4) does not impose upon the bank any duty not expressly agreed to by the bank.

(d) Conditions not relevant. A secured party has control under subsection (a)(2) even if any duty of the bank to comply with instructions originated by the secured party directing disposition of the funds in the deposit account is subject to any condition or conditions (other than further consent by the debtor).

(e) No inferences. The procedures and requirements of subsection (a)(4) available to obtain control shall not be used in interpreting the sufficiency of a secured party's compliance with the procedures and requirements of subsection (a)(1), (a)(2) or (a)(3) to obtain control. The provisions of subsection (a)(4) shall create no inference regarding the requirements for compliance with subsection (a)(1), (a)(2) or (a)(3).

§ 9-105. Control of Electronic Chattel Paper.

A secured party has control of electronic chattel paper if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

- (1) a single authoritative copy of the record or records exists which is unique, identifiable and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;
- (2) the authoritative copy identifies the secured party as the assignee of the record or records;
- (3) the authoritative copy is communicated to and maintained by the secured party or its designated custodian;
- (4) copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the participation of the secured party;

(5) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision.

§ 9-106. Control of Investment Property.

(a) Control under Section 8-106. A person has control of a certificated security, uncertificated security, or security entitlement as provided in Section 8-106.

(1) the secured party is the commodity intermediary with which the commodity contract is carried; or

(2) the commodity customer, secured party, and commodity intermediary have agreed that the commodity intermediary will apply any value distributed on account of the commodity contract as directed by the secured party without further consent by the commodity customer.

(c) Effect of control of securities account or commodity account. A secured party having control of all security entitlements or commodity contracts carried in a securities account or commodity account has control over the securities account or commodity account.

§ 9-107. Control of Letter-of-Credit Right.

A secured party has control of a letter-of-credit right to the extent of any right to payment or performance by the issuer or any nominated person if the issuer or nominated person has consented to an assignment of proceeds of the letter of credit under Section 5-114(c) or otherwise applicable law or practice.

§ 9-108. Sufficiency of Description.

(a) Sufficiency of description. Except as otherwise provided in subsections (c), (d), and (e), a description of personal or real property is sufficient, whether or not it is specific, if it reasonably identifies what is described.

(b) Examples of reasonable identification. Except as otherwise provided in Section 9-502 and subsection (d), a description of collateral reasonably identifies the collateral if it identifies the collateral by:

(1) specific listing;

(2) category;

(3) except as otherwise provided in subsection (e), a type of collateral defined in this chapter;

(4) quantity;

(5) computational or allocational formula or procedure; or

(6) except as otherwise provided in subsection (c), any other method, if the identity of the collateral is objectively determinable.

(c) Supergeneric description not sufficient. A description of collateral as “all the debtor's assets” or “all the debtor's personal property” or using words of similar import does not reasonably identify the collateral.

(d) Investment property. Except as otherwise provided in subsection (e), a description of a security entitlement, securities account, or commodity account is sufficient if it describes:

(1) the collateral by those terms or as investment property; or

(2) the underlying financial asset or commodity contract.

(e) When description by type insufficient. A description only by type of collateral defined in this chapter is an insufficient description of:

- (1) a commercial tort claim;
- (2) in a consumer transaction, consumer goods, a security entitlement, a securities account, or a commodity account; or
- (3) a cooperative interest.

Subpart 2: Applicability of Article

§ 9-109. Scope.

(c) Extent to which article does not apply. This article does not apply to the extent that:

- (1) a statute, regulation, or treaty of the United States preempts this article;

- (9) an assignment of a right represented by a judgment, other than a judgment taken on a right to payment that was collateral;
- (10) a right of recoupment or set-off, but:
 - (A) Section 9-340 applies with respect to the effectiveness of rights of recoupment or set-off against deposit accounts; and
 - (B) Section 9-404 applies with respect to defenses or claims of an account debtor;
- (11) the creation or transfer of an interest in or lien on real property, including a lease or rents thereunder, except to the extent that provision is made for:

A security interest arising under Section 2-401, 2-505, 2-711(3), or 2-A-508(5) is subject to this article. However, until the debtor obtains possession of the goods:

- (1) the security interest is enforceable, even if Section 9-203(b)(3) has not been satisfied;
- (2) filing is not required to perfect the security interest;
- (3) the rights of the secured party after default by the debtor are governed by Article 2 or 2-A;
and
- (4) the security interest has priority over a conflicting security interest created by the debtor.

Part 2: Creation and Attachment

Subpart 1: Effectiveness and Attachment

§ 9-201. General Effectiveness of Security Agreement.

(a) General effectiveness. Except as otherwise provided in this chapter, a security agreement is effective according to its terms between the parties, against purchasers of the collateral, and against creditors.

(b) Applicable consumer laws and other law. A transaction subject to this article is subject to:

(1) any applicable rule of law which establishes a different rule for consumers;

(2) any other statute or regulation of this state which regulates the rates, charges, agreements and practices for loans, credit sales or other extensions of credit;

(3) any consumer protection statute or regulation of this state.

(c) Other applicable law controls. In case of conflict between this article and a rule of law, statute, or regulation described in subsection (b), the rule of law, statute, or regulation controls. Failure to comply with a statute or regulation described in subsection (b) has only the effect the statute or regulation specifies.

(d) Further deference to other applicable law. This article does not:

(1) validate any rate, charge, agreement, or practice that violates a rule of law, statute, or regulation described in subsection (b); or

(2) extend the application of the rule of law, statute, or regulation to a transaction not otherwise subject to it.

§ 9-202. Title to Collateral Immaterial.

Except as otherwise provided with respect to consignments or sales of accounts, chattel paper, payment intangibles, or promissory notes, the provisions of this article with regard to rights and obligations apply whether title to collateral is in the secured party or the debtor.

§ 9-203. Attachment and Enforceability of Security Interest; Proceeds; Supporting Obligations; Formal Requisites.

(a) Attachment. A security interest attaches to collateral when it becomes enforceable against the debtor with respect to the collateral, unless an agreement expressly postpones the time of attachment.

(b) Enforceability. Except as otherwise provided in subsections (c) through (i), a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

(1) value has been given;

(2) the debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and

(3) one of the following conditions is met:

(A) the debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;

(B) the collateral is not a certificated security and is in the possession of the secured party under Section 9-313 pursuant to the debtor's security agreement;

(1) the security agreement becomes effective to create a security interest in the person's property; or

(2) the person becomes generally obligated for the obligations of the other person, including the obligation secured under the security agreement, and acquires or succeeds to all or substantially all of the assets of the other person.

(e) Effect of new debtor becoming bound. If a new debtor becomes bound as debtor by a security agreement entered into by another person:

(1) the agreement satisfies subsection (b)(3) with respect to existing or after-acquired property of the new debtor to the extent the property is described in the agreement; and

(2) another agreement is not necessary to make a security interest in the property enforceable.

(3) filing as to the goods.

(e) Temporary perfection: new value. A security interest in certificated securities, negotiable documents, or instruments is perfected without filing or the taking of possession or control for a

period of 20 days from the time it attaches to the extent that it arises for new value given under an authenticated security agreement.

(f) Temporary perfection: goods or documents made available to debtor. A perfected security interest in a negotiable document or goods in possession of a bailee, other than one that has issued a negotiable document for the goods, remains perfected for 20 days without filing if the secured party makes available to the debtor the goods or documents representing the goods for the purpose of:

(1) ultimate sale or exchange; or

(2) loading, unloading, storing, shipping, transshipping, manufacturing, processing, or otherwise dealing with them in a manner preliminary to their sale or exchange.

(g) Temporary perfection: delivery of security certificate or instrument to debtor. A perfected security interest in a certificated security or instrument remains perfected for 20 days without filing if the secured party delivers the security certificate or instrument to the debtor for the purpose of:

(1) ultimate sale or exchange; or

(2) presentation, collection, enforcement, renewal, or registration of transfer.

(h) Expiration of temporary perfection. After the 20-day period specified in subsection (e), (f), or (g) expires, perfection depends upon compliance with this article.

(i) Cooperative interests. Subsections (a) through (h) do not apply to cooperative interests.

§ 9-313. When Possession by or Delivery to Secured Party Perfects Security Interest Without Filing.

(a) Perfection by possession or delivery. Except as otherwise provided in subsection (b), a secured party may perfect a security interest in tangible negotiable documents, goods, instruments, money, or tangible chattel paper by taking possession of the collateral. A secured

party may perfect a security interest in certificated securities by taking delivery of the certificated securities under Section 8-301.

(b) Goods covered by certificate of title. With respect to goods covered by a certificate of title issued by this state, a secured party may perfect a security interest in the goods by taking possession of the goods only in the circumstances described in Section 9-316(d).

(c) Collateral in possession of person other than debtor. With respect to collateral other than certificated securities and goods covered by a document, a secured party takes possession of collateral in the possession of a person other than the debtor, the secured party, or a lessee of the collateral from the debtor in the ordinary course of the debtor's business, when:

(1) the person in possession authenticates a record acknowledging that it holds possession of the collateral for the secured party's benefit; or

(2) the person takes possession of the collateral after having authenticated a record acknowledging that it will hold possession of collateral for the secured party's benefit.

(d) Time of perfection by possession; continuation of perfection. If perfection of a security interest depends upon possession of the collateral by a secured party, perfection occurs no earlier than the time the secured party takes possession and continues only while the secured party retains possession.

(e) Time of perfection by delivery; continuation of perfection. A security interest in a certificated security in registered form is perfected by delivery when delivery of the certificated security occurs under Section 8-301 and remains perfected by delivery until the debtor obtains possession of the security certificate.

(f) Acknowledgment not required. A person in possession of collateral is not required to acknowledge that it holds possession for a secured party's benefit.

(g) Effectiveness of acknowledgment; no duties or confirmation. If a person acknowledges that it holds possession for the secured party's benefit:

(1) the acknowledgment is effective under subsection (c) or Section 8-301(a), even if the acknowledgment violates the rights of a debtor; and

(2) unless the person otherwise agrees or law other than this article otherwise provides, the person does not owe any duty to the secured party and is not required to confirm the acknowledgment to another person.

(h) Secured party's delivery to person other than debtor. A secured party having possession of collateral does not relinquish possession by delivering the collateral to a person other than the debtor or a lessee of the collateral from the debtor in the ordinary course of the debtor's business if the person was instructed before the delivery or is instructed contemporaneously with the delivery:

(1) to hold possession of the collateral for the secured party's benefit; or

(2) to redeliver the collateral to the secured party.

(i) Effect of delivery under subsection (h); no duties or confirmation. A secured party does not relinquish possession, even if a delivery under subsection (h) violates the rights of a debtor. A person to which collateral is delivered under subsection (h) does not owe any duty to the secured party and is not required to confirm the delivery to another person unless the person otherwise agrees or law other than this article otherwise provides.

(j) Cooperative interests. Subsections (a) through (i) do not apply to cooperative interests.

§ 9-314. Perfection by Control.

(a) Perfection by control. A security interest in investment property, deposit accounts, letter-of-credit rights, electronic chattel paper, or electronic documents may be perfected by control of the collateral under Section 7-106, 9-104, 9-105, 9-106, or 9-107.

(b) Specified collateral: time of perfection by control; continuation of perfection. A security interest in deposit accounts, electronic chattel paper, letter-of-credit rights, or electronic

documents is perfected by control under Section 7-106, 9-104, 9-105, or 9-107 when the secured party obtains control and remains perfected by control only while the secured party retains control.

(c) Investment property: time of perfection by control; continuation of perfection. A security interest in investment property is perfected by control under Section 9-106 from the time the secured party obtains control and remains perfected by control until:

(1) the secured party does not have control; and

(2) one of the following occurs:

(A) if the collateral is a certificated security, the debtor has or acquires possession of the security certificate;

(B) if the collateral is an uncertificated security, the issuer has registered or registers the debtor as the registered owner; or

(C) if the collateral is a security entitlement, the debtor is or becomes the entitlement holder.

(d) Cooperative interests. Subsections (a) through (c) do not apply to cooperative interests.

§ 9-315. Secured Party's Rights on Disposition of Collateral and in Proceeds.

(a) Disposition of collateral: continuation of security interest or agricultural lien; proceeds. Except as otherwise provided in this article and in Section 2-403(2):

(1) a security interest or agricultural lien continues in collateral notwithstanding sale, lease, license, exchange, or other disposition thereof unless the secured party authorized the disposition free of the security interest or agricultural lien; and

(2) a security interest attaches to any identifiable proceeds of collateral.

(b) When commingled proceeds identifiable. Proceeds that are commingled with other property are identifiable proceeds:

(1) if the proceeds are goods, to the extent provided by Section 9-336; and

(2) if the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this article with respect to commingled property of the type involved.

(c) Perfection of security interest in proceeds. A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(d) Continuation of perfection. A perfected security interest in proceeds becomes unperfected on the 21st day after the security interest attaches to the proceeds unless:

(1) the following conditions are satisfied:

(A) a filed financing statement covers the original collateral;

(B) the proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed; and

(C) the proceeds are not acquired with cash proceeds;

(2) the proceeds are identifiable cash proceeds; or

(3) the security interest in the proceeds is perfected other than under subsection (c) when the security interest attaches to the proceeds or within 20 days thereafter.

(e) When perfected security interest in proceeds becomes unperfected. If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subsection (d)(1) becomes unperfected at the later of:

(1) when the effectiveness of the filed financing statement lapses under Section 9-515 or is terminated under Section 9-513; or

(2) the 21st day after the security interest attaches to the proceeds.

§ 9-316. Effect of Change in Governing Law.

(a) General rule: effect on perfection of change in governing law. A security interest perfected pursuant to the law of the jurisdiction designated in Section 9-301(a) or 9-305(c) remains perfected until the earliest of:

(1) the time perfection would have ceased under the law of that jurisdiction;

(2) the expiration of four months after a change of the debtor's location to another jurisdiction; or

(3) the expiration of one year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(b) Security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (a) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(c) Possessory security interest in collateral moved to new jurisdiction. A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(1) the collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;

(2) thereafter the collateral is brought into another jurisdiction; and

(3) upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(d) Goods covered by certificate of title from this state. Except as otherwise provided in subsection (e), a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(e) When subsection (d) security interest becomes unperfected against purchasers. A security interest described in subsection (d) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under Section 9-311(b) or 9-313 are not satisfied before the earlier of:

(1) the time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state; or

(2) the expiration of four months after the goods had become so covered.

(f) Change in jurisdiction of bank, issuer, nominated person, securities intermediary, or commodity intermediary. A security interest in deposit accounts, letter-of-credit rights, or investment property which is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(1) the time the security interest would have become unperfected under the law of that jurisdiction; or

(2) the expiration of four months after a change of the applicable jurisdiction to another jurisdiction.

(g) Subsection (f) security interest perfected or unperfected under law of new jurisdiction. If a security interest described in subsection (f) becomes perfected under the law of the other

jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(h) Effect on filed financing statement of change in governing law. The following rules apply to collateral to which a security interest attaches within four months after the debtor changes its location to another jurisdiction:

(1) A financing statement filed before the change pursuant to the law of the jurisdiction designated in Section 9-301(a) or 9-305(c) is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral had the debtor not changed its location.

(2) If a security interest perfected by a financing statement that is effective under paragraph (1) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in Section 9-301(a) or 9-305(c) or the expiration of the four-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(i) Effect of change in governing law on financing statement filed against original debtor. If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in Section 9-301(a) or 9-305(c) and the new debtor is located in another jurisdiction, the following rules apply:

(1) The financing statement is effective to perfect a security interest in collateral in which the new debtor has or acquires rights before or within four months after the new debtor becomes bound under Section 9-203(d), if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(2) A security interest that is perfected by the financing statement and which becomes perfected under the law of the other jurisdiction before the earlier of the expiration of the four month period or the time the financing statement would have become ineffective under the law of the jurisdiction designated in Section 9-301(a) or 9-305(c) remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

Subpart 3: Priority

§ 9-317. Interests That Take Priority over or Take Free of Security Interest or Agricultural Lien

(a) Conflicting security interests and rights of lien creditors. A security interest or agricultural lien is subordinate to the rights of:

(1) a person entitled to priority under Section 9-322; and

(2) except as otherwise provided in subsection (e), a person that becomes a lien creditor before the earlier of the time:

(A) the security interest or agricultural lien is perfected; or

(B) one of the conditions specified in Section 9-203(b)(3) is met and a financing statement covering the collateral is filed.

(b) Buyers that receive delivery. Except as otherwise provided in subsection (e), a buyer, other than a secured party, of tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(c) Lessees that receive delivery. Except as otherwise provided in subsection (e), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(d) Licensees and buyers of certain collateral. A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, electronic documents, general intangibles, or investment property other than a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(e) Purchase-money security interest. Except as otherwise provided in Sections 9-320 and 9-321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor which arise between the time the security interest attaches and the time of filing. The preceding sentence does not apply to cooperative interests.

§ 9-318. No Interest Retained in Right to Payment That Is Sold; Rights and Title of Seller of Account or Chattel Paper with Respect to Creditors and Purchasers

(a) Seller retains no interest. A debtor that has sold an account, chattel paper, payment intangible, or promissory note does not retain a legal or equitable interest in the collateral sold.

(b) Deemed rights of debtor if buyer's security interest unperfected. For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

§ 9-319. Rights and Title of Consignee with Respect to Creditors and Purchasers

(a) Consignee has consignor's rights. Except as otherwise provided in subsection (b), for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(b) Applicability of other law. For purposes of determining the rights of a creditor of a consignee, law other than this article determines the rights and title of a consignee while goods are in the consignee's possession if, under this part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

§ 9-320. Buyer of Goods.

(a) Buyer in ordinary course of business. Except as otherwise provided in subsection (e), a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.

(b) Buyer of consumer goods. Except as otherwise provided in subsection (e), a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys:

- (1) without knowledge of the security interest;
- (2) for value;
- (3) primarily for the buyer's personal, family, or household purposes; and
- (4) before the filing of a financing statement covering the goods.

(c) Effectiveness of filing for subsection (b). To the extent that it affects the priority of a security interest over a buyer of goods under subsection (b), the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by Section 9-316(a) and (b).

(d) Buyer in ordinary course of business at wellhead or minehead. A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(e) Possessory security interest not affected. Subsections (a) and (b) do not affect a security interest in goods in the possession of the secured party under Section 9-313.

§ 9-321. Licensee of General Intangible and Lessee of Goods in Ordinary Course of Business

(a) “Licensee in ordinary course of business.” In this section, “licensee in ordinary course of business” means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(b) Rights of licensee in ordinary course of business. A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(c) Rights of lessee in ordinary course of business. A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

§ 9-322. Priorities among Conflicting Security Interests in and Agricultural Liens on Same Collateral

(a) General priority rules. Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(1) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(2) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(3) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(b) Time of perfection: proceeds and supporting obligations. For the purposes of subsection (a)(1):

(1) the time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds; and

(2) the time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(c) Special priority rules: proceeds and supporting obligations. Except as otherwise provided in subsection (f), a security interest in collateral which qualifies for priority over a conflicting security interest under Section 9-327, 9-328, 9-329, 9-330, or 9-331 also has priority over a conflicting security interest in:

(1) any supporting obligation for the collateral; and

(2) proceeds of the collateral if:

(A) the security interest in proceeds is perfected;

(B) the proceeds are cash proceeds or of the same type as the collateral; and

(C) in the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(d) First-to-file priority rule for certain collateral. Subject to subsection (e) and except as otherwise provided in subsection (f), if a security interest in chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter-of-credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(e) Applicability of subsection (d). Subsection (d) applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter-of-credit rights.

(f) Limitations on subsections (a) through (e). Subsections (a) through (e) are subject to:

(1) subsection (g) and the other provisions of this part;

(2) Section 4-210 with respect to a security interest of a collecting bank;

(3) Section 5-118 with respect to a security interest of an issuer or nominated person;
and

(4) Section 9-110 with respect to a security interest arising under Article 2 or 2-A.

(g) Priority under agricultural lien statute. A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

(h) Special priority rules: cooperative interests.

(1) With respect to all amounts secured, a cooperative organization security interest has priority over all other security interests in a cooperative interest.

(2) As to security interests in cooperative interests other than cooperative organization security interests, Section 9-323(h) provides special rules for future advances.

§ 9-323. Future Advances.

(a) When priority based on time of advance. Except as otherwise provided in subsection (c), for purposes of determining the priority of a perfected security interest under Section 9-322(a)(1), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that:

(1) is made while the security interest is perfected only:

(A) under Section 9-309 when it attaches; or

(B) temporarily under Section 9-312(e), (f), or (g); and

(2) is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under Section 9-309 or 9-312(e), (f), or (g).

(b) Lien creditor. Except as otherwise provided in subsections (c) and (h), a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than 45 days after the person becomes a lien creditor unless the advance is made:

(1) without knowledge of the lien; or

(2) pursuant to a commitment entered into without knowledge of the lien.

(c) Buyer of receivables. Subsections (a) and (b) do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(d) Buyer of goods. Except as otherwise provided in subsection (e), a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of:

(1) the time the secured party acquires knowledge of the buyer's purchase; or

(2) 45 days after the purchase.

(e) Advances made pursuant to commitment: priority of buyer of goods. Subsection (d) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45 day period.

(f) Lessee of goods. Except as otherwise provided in subsection (g), a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of:

(1) the time the secured party acquires knowledge of the lease; or

(2) 45 days after the lease contract becomes enforceable.

(g) Advances made pursuant to commitment: priority of lessee of goods. Subsection (f) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45 day period.

(h) Priority with respect to cooperative interests. The following rules apply for purposes of determining under Section 9-322(a)(1) the priority of a perfected security interest in a cooperative interest:

(1) Perfection of the security interest with respect to a future advance dates from the time of the filing under Section 9-310(d) if all of the following are true:

(A) The security agreement states the maximum amount to be advanced pursuant to commitment;

(B) The future advance is made pursuant to that commitment;

(C) The future advance plus the outstanding sum of any prior advances is not more than the stated maximum amount; and

(D) The filed financing statement includes a cooperative addendum disclosing that the security agreement contains a commitment to make future advances.

(2) Except as provided in paragraph (1), perfection of the security interest with respect to a future advance dates from the time the advance is made.

(3) For purposes of paragraph (1), no amendment of a security agreement shall adversely affect the priority of any other security interest in the same cooperative interest that was perfected prior to the amendment.

(4) This subsection applies only to advances made subsequent to an initial advance.

§ 9-324. Priority of Purchase-Money Security Interests (PMSI).

(a) General rule: purchase-money priority. Except as otherwise provided in subsection (g), a perfected purchase-money security interest in goods other than inventory or livestock has priority over a conflicting security interest in the same goods, and, except as otherwise provided in Section 9-327, a perfected security interest in its identifiable proceeds also has priority, if the purchase-money security interest is perfected when the debtor receives possession of the collateral or within 20 days thereafter.

(b) Inventory purchase-money priority. Subject to subsection (c) and except as otherwise provided in subsection (g), a perfected purchase-money security interest in inventory has priority over a conflicting security interest in the same inventory, has priority over a conflicting security interest in chattel paper or an instrument constituting proceeds of the inventory and in proceeds of the chattel paper, if so provided in Section 9-330, and, except as otherwise provided in Section 9-327, also has priority in identifiable cash proceeds of the inventory to the extent the identifiable cash proceeds are received on or before the delivery of the inventory to a buyer, if:

(1) the purchase-money security interest is perfected when the debtor receives possession of the inventory;

(2) the purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) the holder of the conflicting security interest receives the notification within five years before the debtor receives possession of the inventory; and

(4) the notification states that the person sending the notification has or expects to acquire a purchase-money security interest in inventory of the debtor and describes the inventory.

(c) Holders of conflicting inventory security interests to be notified. Subsections (b)(2) through (4) apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of inventory:

(1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) if the purchase-money security interest is temporarily perfected without filing or possession under Section 9-312(f), before the beginning of the 20-day period thereunder.

(d) Livestock purchase-money priority. Subject to subsection (e) and except as otherwise provided in subsection (g), a perfected purchase-money security interest in livestock that are farm products has priority over a conflicting security interest in the same livestock, and, except as otherwise provided in Section 9-327, a perfected security interest in their identifiable proceeds and identifiable products in their unmanufactured states also has priority, if:

(1) the purchase-money security interest is perfected when the debtor receives possession of the livestock;

(2) the purchase-money secured party sends an authenticated notification to the holder of the conflicting security interest;

(3) the holder of the conflicting security interest receives the notification within six months before the debtor receives possession of the livestock; and

(4) the notification states that the person sending the notification has or expects to acquire a purchase-money security interest in livestock of the debtor and describes the livestock.

(e) Holders of conflicting livestock security interests to be notified. Subsections (d)(2) through (4) apply only if the holder of the conflicting security interest had filed a financing statement covering the same types of livestock:

(1) if the purchase-money security interest is perfected by filing, before the date of the filing; or

(2) if the purchase-money security interest is temporarily perfected without filing or possession under Section 9-312(f), before the beginning of the 20-day period thereunder.

(f) Software purchase-money priority. Except as otherwise provided in subsection (g), a perfected purchase-money security interest in software has priority over a conflicting security interest in the same collateral, and, except as otherwise provided in Section 9-327, a perfected security interest in its identifiable proceeds also has priority, to the extent that the purchase-money security interest in the goods in which the software was acquired for use has priority in the goods and proceeds of the goods under this section.

(g) Conflicting purchase-money security interests. If more than one security interest qualifies for priority in the same collateral under subsection (a), (b), (d), or (f):

(1) a security interest securing an obligation incurred as all or part of the price of the collateral has priority over a security interest securing an obligation incurred for value given to enable the debtor to acquire rights in or the use of collateral; and

(2) in all other cases, Section 9-322(a) applies to the qualifying security interests.

§ 9-325. Priority of Security Interests in Transferred Collateral

(a) Subordination of security interest in transferred collateral. Except as otherwise provided in subsection (b), a security interest created by a debtor is subordinate to a security interest in the same collateral created by another person if:

- (1) the debtor acquired the collateral subject to the security interest created by the other person;
- (2) the security interest created by the other person was perfected when the debtor acquired the collateral; and
- (3) there is no period thereafter when the security interest is unperfected.

(b) Limitation of subsection (a) subordination. Subsection (a) subordinates a security interest only if the security interest:

- (1) otherwise would have priority solely under Section 9-322(a) or 9-324; or
- (2) arose solely under Section 2-711(3) or 2-A-508(5).

.

§ 9-326. Priority of Security Interests Created by New Debtor

(a) Subordination of security interest created by new debtor. Subject to subsection (b), a security interest that is created by a new debtor in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that would be ineffective to perfect the security interest but for the application of Section 9-316(i)(1) or 9-508 is subordinate to a security interest in the same collateral which is perfected other than by such a filed financing statement.

(b) Priority under other provisions; multiple original debtors. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection (a). However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor,

the conflicting security interests rank according to priority in time of the new debtor's having become bound.

§ 9-327. Priority of Security Interests in Deposit Account

The following rules govern priority among conflicting security interests in the same deposit account:

(a) A security interest held by a secured party having control of the deposit account under Section 9-104 has priority over a conflicting security interest held by a secured party that does not have control.

(b) Except as otherwise provided in subsections (c) and (d), security interests perfected by control under Section 9-314 rank according to priority in time of obtaining control.

(c) Except as otherwise provided in subsection (d), a security interest held by the bank with which the deposit account is maintained has priority over a conflicting security interest held by another secured party.

(d) A security interest perfected by control under Section 9-104(a)(3) has priority over a security interest held by the bank with which the deposit account is maintained.

§ 9-328. Priority of Security Interests in Investment Property

The following rules govern priority among conflicting security interests in the same investment property:

(a) A security interest held by a secured party having control of investment property under Section 9-106 has priority over a security interest held by a secured party that does not have control of the investment property.

(b) Except as otherwise provided in paragraphs (c) and (d), conflicting security interests held by secured parties each of which has control under Section 9-106 rank according to priority in time of:

(1) if the collateral is a security, obtaining control;

(2) if the collateral is a security entitlement carried in a securities account and:

(A) if the secured party obtained control under Section 8-106 (d) (1), the secured party's becoming the person for which the securities account is maintained;

(B) if the secured party obtained control under Section 8-106 (d) (2), the securities intermediary's agreement to comply with the secured party's entitlement orders with respect to security entitlements carried or to be carried in the securities account; or

(C) if the secured party obtained control through another person under Section 8-106 (d) (3), the time on which priority would be based under this paragraph if the other person were the secured party; or

(3) if the collateral is a commodity contract carried with a commodity intermediary, the satisfaction of the requirement for control specified in Section 9-106 (b) (2) with respect to commodity contracts carried or to be carried with the commodity intermediary.

(c) A security interest held by a securities intermediary in a security entitlement or a securities account maintained with the securities intermediary has priority over a conflicting security interest held by another secured party.

(d) A security interest held by a commodity intermediary in a commodity contract or a commodity account maintained with the commodity intermediary has priority over a conflicting security interest held by another secured party.

(e) A security interest in a certificated security in registered form which is perfected by taking delivery under Section 9-313 (a) and not by control under Section 9-314 has priority over a conflicting security interest perfected by a method other than control.

(f) Conflicting security interests created by a broker, securities intermediary, or commodity intermediary which are perfected without control under Section 9-106 rank equally.

(g) In all other cases, priority among conflicting security interests in investment property is governed by Sections 9-322 and 9-323.

(h) Subsections (a) through (g) do not apply to cooperative interests.

§ 9-329. Priority of Security Interests in Letter-of-credit Right

The following rules govern priority among conflicting security interests in the same letter-of-credit right:

(a) A security interest held by a secured party having control of the letter-of-credit right under Section 9-107 has priority to the extent of its control over a conflicting security interest held by a secured party that does not have control.

(b) Security interests perfected by control under Section 9-314 rank according to priority in time of obtaining control.

§ 9-330. Priority of Purchaser of Chattel Paper or Instrument

(a) Purchaser's priority: security interest claimed merely as proceeds. A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed merely as proceeds of inventory subject to a security interest if:

(1) in good faith and in the ordinary course of the purchaser's business, the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under Section 9-105; and

(2) the chattel paper does not indicate that it has been assigned to an identified assignee other than the purchaser.

(b) Purchaser's priority: other security interests. A purchaser of chattel paper has priority over a security interest in the chattel paper which is claimed other than merely as proceeds of inventory subject to a security interest if the purchaser gives new value and takes possession of the chattel paper or obtains control of the chattel paper under Section 9-105 in good faith, in

the ordinary course of the purchaser's business, and without knowledge that the purchase violates the rights of the secured party.

(c) Chattel paper purchaser's priority in proceeds. Except as otherwise provided in Section 9-327, a purchaser having priority in chattel paper under subsection (a) or (b) also has priority in proceeds of the chattel paper to the extent that:

(1) Section 9-322 provides for priority in the proceeds; or

(2) the proceeds consist of the specific goods covered by the chattel paper or cash proceeds of the specific goods, even if the purchaser's security interest in the proceeds is unperfected.

(d) Instrument purchaser's priority. Except as otherwise provided in Section 9-331(a), a purchaser of an instrument has priority over a security interest in the instrument perfected by a method other than possession if the purchaser gives value and takes possession of the instrument in good faith and without knowledge that the purchase violates the rights of the secured party.

(e) Holder of purchase-money security interest gives new value. For purposes of subsections (a) and (b), the holder of a purchase-money security interest in inventory gives new value for chattel paper constituting proceeds of the inventory.

(f) Indication of assignment gives knowledge. For purposes of subsections (b) and (d), if chattel paper or an instrument indicates that it has been assigned to an identified secured party other than the purchaser, a purchaser of the chattel paper or instrument has knowledge that the purchase violates the rights of the secured party.

§ 9-331. Priority of Rights of Purchasers of Instruments, Documents, and Securities under Other Articles; Priority of Interests in Financial Assets and Security Entitlements under Article 8

(a) Rights under Articles 3, 7, and 8 not limited. This article does not limit the rights of a holder in due course of a negotiable instrument, a holder to which a negotiable document of title has been duly negotiated, or a protected purchaser of a security. These holders or purchasers take

priority over an earlier security interest, even if perfected, to the extent provided in Articles 3, 7, and 8.

(b) Protection under Article 8. This article does not limit the rights of or impose liability on a person to the extent that the person is protected against the assertion of a claim under Article 8.

(c) Filing not notice. Filing under this article does not constitute notice of a claim or defense to the holders, or purchasers, or persons described in subsections (a) and (b).

(d) Section not applicable to cooperative interests. Subsections (a), (b), and (c) do not apply to cooperative interests.

§ 9-332. Transfer of Money; Transfer of Funds from Deposit Account

(a) Transferee of money. A transferee of money takes the money free of a security interest unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

(b) Transferee of funds from deposit account. A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account unless the transferee acts in collusion with the debtor in violating the rights of the secured party.

§ 9-333. Priority of Certain Liens Arising by Operation of Law

(a) “Possessory lien.” In this section, “possessory lien” means an interest, other than a security interest or an agricultural lien:

(1) which secures payment or performance of an obligation for services or materials furnished with respect to goods by a person in the ordinary course of the person's business;

(2) which is created by statute or rule of law in favor of the person; and

(3) whose effectiveness depends on the person's possession of the goods.

(b) Priority of possessory lien. A possessory lien on goods has priority over a security interest in the goods unless the lien is created by a statute that expressly provides otherwise.

§ 9-334. Priority of Security Interests in Fixtures and Crops

(a) Security interest in fixtures under this article. A security interest under this article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

(b) Security interest in fixtures under real property law. This article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) General rule: subordination of security interest in fixtures. In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Fixtures purchase-money priority. Except as otherwise provided in subsection (h), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

(1) the security interest is a purchase-money security interest;

(2) the interest of the encumbrancer or owner arises before the goods become fixtures;
and

(3) the security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.

(e) Priority of security interest in fixtures over interests in real property. A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the debtor has an interest of record in the real property or is in possession of the real property and the security interest:

(A) is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and

(B) has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) before the goods become fixtures, the security interest is perfected by any method permitted by this article and the fixtures are readily removable:

(A) factory or office machines;

(B) equipment that is not primarily used or leased for use in the operation of the real property; or

(C) replacements of domestic appliances that are consumer goods;

(3) the conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article; or

(4) the security interest is:

(A) created in a manufactured home in a manufactured-home transaction; and

(B) perfected pursuant to a statute described in Section 9-311(a)(2).

(f) Priority based on consent, disclaimer, or right to remove. A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) the encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) the debtor has a right to remove the goods as against the encumbrancer or owner.

(g) Continuation of paragraph (f)(2) priority. The priority of the security interest under paragraph (f)(2) continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) Priority of construction mortgage. A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f), a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) Priority of security interest in crops. A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

(j) Subsection (i) prevails. Subsection (i) prevails over any inconsistent provisions with this article or any other chapter of law.

§ 9-335. Accessions

(a) Creation of security interest in accession. A security interest may be created in an accession and continues in collateral that becomes an accession.

(b) Perfection of security interest. If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(c) Priority of security interest. Except as otherwise provided in subsection (d), the other provisions of this part determine the priority of a security interest in an accession.

(d) Compliance with certificate-of-title statute. A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under Section 9-311 (b).

(e) Removal of accession after default. After default, subject to Part 6, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(f) Reimbursement following removal. A secured party that removes an accession from other goods under subsection (e) shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

§ 9-336. Commingled Goods

(a) “Commingled goods.” In this section, “commingled goods” means goods that are physically united with other goods in such a manner that their identity is lost in a product or mass.

(b) No security interest in commingled goods as such. A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(c) Attachment of security interest to product or mass. If collateral becomes commingled goods, a security interest attaches to the product or mass.

(d) Perfection of security interest. If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (c) is perfected.

(e) Priority of security interest 1 Except as otherwise provided in subsection (f), the other provisions of this part determine the priority of a security interest that attaches to the product or mass under subsection (c).

(f) Conflicting security interests in product or mass 1 If more than one security interest attaches to the product or mass under subsection (c), the following rules determine priority:

(1) A security interest that is perfected under subsection (d) has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(2) If more than one security interest is perfected under subsection (d), the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

§ 9-337. Priority of Security Interests in Goods Covered by Certificate of Title

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate:

(a) a buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest; and

(b) the security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under Section 9-311 (b), after issuance of the certificate and without the conflicting secured party's knowledge of the security interest.

§ 9-338. Priority of Security Interest or Agricultural Lien Perfected by Filed Financing Statement Providing Certain Incorrect Information

If a security interest or agricultural lien is perfected by a filed financing statement providing information described in Section 9-516(b)(5) which is incorrect at the time the financing statement is filed:

(1) the security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information; and

(2) a purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of tangible chattel paper, tangible documents, goods, instruments, or a security certificate, receives delivery of the collateral.

§ 9-339. Priority Subject to Subordination

This article does not preclude subordination by agreement by a person entitled to priority.

Subpart 4: Rights of Bank

§ 9-340. Effectiveness of Right of Recoupment or Set-off Against Deposit Account

(a) Exercise of recoupment or set-off. Except as otherwise provided in subsection (c), a bank with which a deposit account is maintained may exercise any right of recoupment or set-off against a secured party that holds a security interest in the deposit account.

(b) Recoupment or set-off not affected by security interest. Except as otherwise provided in subsection (c), the application of this article to a security interest in a deposit account does not affect a right of recoupment or set-off of the secured party as to a deposit account maintained with the secured party.

(c) When set-off ineffective. The exercise by a bank of a set-off against a deposit account is ineffective against a secured party that holds a security interest in the deposit account which is perfected by control under Section 9-104(a)(3), if the set-off is based on a claim against the debtor.

§ 9-341. Bank's Rights and Duties with Respect to Deposit Account

Except as otherwise provided in Section 9-340 (c), and unless the bank otherwise agrees in an authenticated record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

- (a) the creation, attachment, or perfection of a security interest in the deposit account;
- (b) the bank's knowledge of the security interest; or
- (c) the bank's receipt of instructions from the secured party.

§ 9-342. Bank's Right to Refuse to Enter into or Disclose Existence of Control Agreement

This article does not require a bank to enter into an agreement of the kind described in Section 9-104(a)(2), even if its customer so requests or directs. A bank that has entered into such an agreement is not required to confirm the existence of the agreement to another person unless requested to do so by its customer.

Part 4: Rights of Third Parties

§ 9-401. Alienability of Debtor's Rights.

(a) Other law governs alienability; exceptions. Except as otherwise provided in subsection (b) and Sections 9-406, 9-407, 9-408, and 9-409, whether a debtor's rights in collateral may be voluntarily or involuntarily transferred is governed by law other than this article.

(b) Agreement does not prevent transfer. An agreement between the debtor and secured party which prohibits a transfer of the debtor's rights in collateral or makes the transfer a default does not prevent the transfer from taking effect.

§ 9-402. Secured Party Not Obligated on Contract of Debtor or in Tort.

The existence of a security interest, agricultural lien, or authority given to a debtor to dispose of or use collateral, without more, does not subject a secured party to liability in contract or tort for the debtor's acts or omissions.

§ 9-403. Agreement Not to Assert Defenses Against Assignee.

(a) "Value." In this section, "value" has the meaning provided in Section 3--303. In this section the meaning of "obligor" is not limited to the meaning given it in Section 9-102(a)(59). In this section the term "person entitled to enforce the instrument" means (i) the holder of the instrument, (ii) a nonholder in possession of the instrument who has the rights of a holder, or (iii) a person not in possession of the instrument who is entitled to enforce the instrument pursuant to Article 3 of this chapter. A person may be a person entitled to enforce the instrument even though the person is not the owner of the instrument or is in wrongful possession of the instrument.

(b) Agreement not to assert claim or defense. Except as otherwise provided in this section, an agreement between an account debtor and an assignor not to assert against an assignee any claim or defense that the account debtor may have against the assignor is enforceable by an assignee that takes an assignment:

(1) for value;

(2) in good faith;

(3) without notice of a claim of a property or possessory right to the property assigned;
and

(4) without notice of:

(A) a defense of the obligor based on (i) infancy of the obligor to the extent it is a defense to a simple contract, (ii) duress, lack of legal capacity, or illegality of the transaction which, under other law, nullifies the obligation of the obligor, (iii) fraud that induced the obligor to sign the instrument with neither knowledge nor reasonable opportunity to learn of its character or its essential terms, or (iv) discharge of the obligor in solving proceedings;

(B) a defense of the obligor stated anywhere in Article 3 of this chapter or a defense of the obligor that would be available if the person entitled to enforce the instrument were enforcing a right to payment under a simple contract; and

(C) a claim in recoupment of the obligor against the assignor if the claim arose from the transaction that gave rise to the assigned obligation, but the claim of the obligor may be asserted against an assignee only to reduce the amount owing on the assigned obligation at the time the action is brought.

(c) When subsection (b) not applicable. An assignee takes subject to the defenses listed in paragraph (b)(4)(A), but is not subject to defenses of the obligor stated in paragraph (b)(4)(B) or claims in recoupment stated in paragraph (b)(4)(C) against a person other than the enforcing assignee.

(d) Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the rights of an assignee are subject to claims or defenses that the account debtor could assert against the original obligee, and the record does not include such a statement:

(1) the record has the same effect as if the record included such a statement; and

(2) the account debtor may assert against an assignee those claims and defenses that would have been available if the record included such a statement.

(e) Rule for individual under other law. This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(f) Other law not displaced. Except as otherwise provided in subsection (d), this section does not displace law other than this article which gives effect to an agreement by an account debtor not to assert a claim or defense against an assignee.

§ 9-404. Rights Acquired by Assignee; Claims and Defenses Against Assignee.

(a) Assignee's rights subject to terms, claims, and defenses; exceptions. Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e), the rights of an assignee are subject to:

(1) all terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment authenticated by the assignor or the assignee.

(b) Account debtor's claim reduces amount owed to assignee. Subject to subsection (c) and except as otherwise provided in subsection (d), the claim of an account debtor against an

assignor may be asserted against an assignee under subsection (a) only to reduce the amount the account debtor owes.

(c) Rule for individual under other law. This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Omission of required statement in consumer transaction. In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

§ 9-405. Modification of Assigned Contract.

(a) Effect of modification on assignee. A modification of or substitution for an assigned contract is effective against an assignee if made in good faith. The assignee acquires corresponding rights under the modified or substituted contract. The assignment may provide that the modification or substitution is a breach of contract by the assignor. This subsection is subject to subsections (b) through (d).

(b) Applicability of subsection (a). Subsection (a) applies to the extent that:

(1) the right to payment or a part thereof under an assigned contract has not been fully earned by performance; or

(2) the right to payment or a part thereof has been fully earned by performance and the account debtor has not received notification of the assignment under Section 9-406(a).

(c) Rule for individual under other law. This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) Inapplicability to health-care-insurance receivable. This section does not apply to an assignment of a health-care-insurance receivable.

§ 9-406. Discharge of Account Debtor; Notification of Assignment; Identification and Proof of Assignment; Restrictions on Assignment of Accounts, Chattel Paper, Payment Intangibles, and Promissory Notes Ineffective.

(a) Discharge of account debtor; effect of notification. Subject to subsections (b) through (h), an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) When notification ineffective. Subject to subsection (g), notification is ineffective under subsection (a):

(1) if it does not reasonably identify the rights assigned;

(2) to the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) at the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

(A) only a portion of the account, chattel paper, or payment intangible has been assigned to that assignee;

(B) a portion has been assigned to another assignee; or

(C) the account debtor knows that the assignment to that assignee is limited.

(c) Proof of assignment. Subject to subsection (g), if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a).

(d) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (e) and Sections 2-A-303 and 9-407, and subject to subsection (g), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Inapplicability of subsection (d) to certain sales. Subsection (d) does not apply to the sale of a payment intangible or promissory note.

(f) Subsection (b)(3) not waivable. Subject to subsection (g), an account debtor may not waive or vary its option under subsection (b)(3).

(g) Rule for individual under other law. This section is subject to a rule of law, statute, rule or regulation other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(h) Inapplicability. This section does not apply to:

- (1) an assignment of a health care insurance receivable to the extent such assignment conflicts with other law or the parties have otherwise agreed in writing that such receivable is non-assignable,
- (2) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. § 104(a)(1) and (2), as amended from time to time, or
- (3) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. § 1396p (d)(4), as amended from time to time.

§ 9-407. Restrictions on Creation or Enforcement of Security Interest in Leasehold Interest or in Lessor's Residual Interest.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b), a term in a lease agreement is ineffective to the extent that it:

- (1) prohibits, restricts, or requires the consent of a party to the lease to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, an interest of a party under the lease contract or in the lessor's residual interest in the goods; or
- (2) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the lease.

(b) Effectiveness of certain terms. Except as otherwise provided in Section 2-A-303(7), a term described in subsection (a)(2) is effective to the extent that there is:

- (1) a transfer by the lessee of the lessee's right of possession or use of the goods in violation of the term; or
- (2) a delegation of a material performance of either party to the lease contract in violation of the term.

(c) Security interest not material impairment. The creation, attachment, perfection, or enforcement of a security interest in the lessor's interest under the lease contract or the lessor's residual interest in the goods is not a transfer that materially impairs the lessee's prospect of obtaining return performance or materially changes the duty of or materially increases the burden or risk imposed on the lessee within the purview of Section 2-A-303(4) unless, and then only to the extent that, enforcement actually results in a delegation of material performance of the lessor.

§ 9-408. Restrictions on Assignment of Promissory Notes, Health-Care-Insurance Receivables, and Certain General Intangibles Ineffective.

(a) Term restricting assignment generally ineffective. Except as otherwise provided in subsection (b), a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the extent that the term:

(1) would impair the creation, attachment, or perfection of a security interest; or

(2) provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(b) Applicability of subsection (a) to sales of certain rights to payment. Subsection (a) applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note.

(c) Limitation on ineffectiveness under subsection (a). To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible would be effective under law other than this

article but is ineffective under subsection (a), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(1) is not enforceable against the person obligated on the promissory note or the account debtor;

(2) does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(3) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(4) does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(5) does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(6) does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(d) Inapplicability. This section does not apply to:

(1) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. § 104(a)(1) and (2), as amended from time to time, or

(2) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. § 1396p (d)(4), as amended from time to time.

§ 9-409. Restrictions on Assignment of Letter-of-Credit Rights Ineffective.

(a) Term or law restricting assignment generally ineffective. A term in a letter-of-credit or a rule of law, statute, regulation, custom, or practice applicable to the letter of credit which prohibits, restricts, or requires the consent of an applicant, issuer, or nominated person to a beneficiary's assignment of or creation of a security interest in a letter-of-credit right is ineffective to the extent that the term or rule of law, statute, regulation, custom, or practice:

(1) would impair the creation, attachment, or perfection of a security interest in the letter-of-credit right; or

(2) provides that the assignment or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the letter-of-credit right.

(b) Limitation on ineffectiveness under subsection (a). To the extent that a term in a letter-of-credit is ineffective under subsection (a) but would be effective under law other than this article or a custom or practice applicable to the letter-of-credit, to the transfer of a right to draw or otherwise demand performance under the letter-of-credit, or to the assignment of a right to proceeds of the letter-of-credit, the creation, attachment, or perfection of a security interest in the letter-of-credit right:

(1) is not enforceable against the applicant, issuer, nominated person, or transferee beneficiary;

(2) imposes no duties or obligations on the applicant, issuer, nominated person, or transferee beneficiary; and

(3) does not require the applicant, issuer, nominated person, or transferee beneficiary to recognize the security interest, pay or render performance to the secured party, or accept payment or other performance from the secured party.

Part 5: Filing

Subpart 1: Filing Office; Contents and Effectiveness of Financing Statement

§ 9-501. Filing Office.

(a) Filing offices. Except as otherwise provided in subsection (b), if the law of this state governs perfection of a security interest or agricultural lien, the office in which to file a financing statement to perfect the security interest or agricultural lien is:

(1) the office designated for the filing or recording of a record of a mortgage on the related real property, if:

(A) the collateral is as-extracted collateral or timber to be cut; or

(B) the financing statement is filed as a fixture filing and the collateral is goods that are or are to become fixtures; or

(C) the collateral is a cooperative interest; or

(2) the office of the secretary of state, in all other cases, including a case in which the collateral is goods that are or are to become fixtures and the financing statement is not filed as a fixture filing.

(b) Filing office for transmitting utilities. The office in which to file a financing statement to perfect a security interest in collateral, including fixtures, of a transmitting utility is the office of the secretary of state. The financing statement also constitutes a fixture filing as to the collateral indicated in the financing statement which is or is to become fixtures.

(c) The term “filing officer” or “recording officer” means the county clerk of the county, except in the counties of Bronx, Kings, New York, and Queens where it means the city register in the county; and the term “filing officer” includes the secretary of state where a filing is made in the department of state.

§ 9-502. Contents of Financing Statement; Record of Mortgage as Financing Statement; Time of Filing Financing Statement; Contents of Cooperative Addendum

(a) Sufficiency of financing statement. Subject to subsection (b), a financing statement is sufficient only if it:

- (1) provides the name of the debtor;
- (2) provides the name of the secured party or a representative of the secured party;
- (3) indicates the collateral covered by the financing statement; and
- (4) in the case of a cooperative interest, indicates the number or other designation and the street address of the cooperative unit.

(b) Real-property-related financing statements. Except as otherwise provided in Section 9-501(b), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, or, unless a cooperative addendum is filed, which covers a cooperative interest, must satisfy subsection (a) and also:

- (1) indicate that it covers this type of collateral;
- (2) indicate that it is to be filed in the real property records;
- (3) provide a description of the real property to which the collateral is related, including the location of the real estate by reference to a book and page number in a deed or mortgage index maintained in the county clerk's office in the county where the property is situate or by street and number and town or city, or, if the real estate is in the city of New York, by county, except that if the real estate is in the city of New York or counties of Nassau or Onondaga, where the block system of recording or registering and indexing conveyances is in use, the statement must also specify the block and lot number in which the real estate is situated; and
- (4) if the debtor does not have an interest of record in the real property, provide the name of a record owner.

(c) Record of mortgage as financing statement. A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(1) the record indicates the goods or accounts that it covers;

(2) the goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;

(3) the record satisfies the requirements for a financing statement in this section, but:

(A) the record need not indicate that it is to be filed in the real property records;
and

(B) the record sufficiently provides the name of a debtor who is an individual if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom Section 9-503(a)(4) applies; and

(4) the record is duly recorded.

(d) Filing before security agreement or attachment. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

(e) Contents of cooperative addendum. A cooperative addendum is sufficient only if it satisfies subsection (a) and also:

(1) if not filed simultaneously with the initial financing statement, identifies, by its file number, the initial financing statement to which the addendum relates;

(2) indicates the street address of the cooperative unit;

(3) indicates the county in which the cooperative unit is located;

(4) indicates the city, town, or village in which the cooperative unit is located;

(5) indicates the real property tax designation associated with the real property in which the cooperative unit is located as assigned by the local real property tax assessing authority; and

(6) indicates the name of the cooperative organization.

§ 9-503. Name of Debtor and Secured Party.

(a) Sufficiency of debtor's name. A financing statement sufficiently provides the name of the debtor:

(1) except as otherwise provided in paragraph (3), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name that is stated to be the registered organization's name on the public organic record most recently filed with or issued or enacted by the registered organization's jurisdiction of organization which purports to state, amend, or restate the registered organization's name;

(2) subject to subsection (f), if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(3) if the collateral is held in a trust that is not a registered organization, only if the financing statement:

(A) provides, as the name of the debtor:

(i) if the organic record of the trust specifies a name for the trust, the name specified; or

(ii) if the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(B) in a separate part of the financing statement:

(i) if the name is provided in accordance with subparagraph (A)(i), indicates that the collateral is held in a trust; or

(ii) if the name is provided in accordance with subparagraph (A)(ii), provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;

(4) subject to subsection (g), if the debtor is an individual to whom this State has issued a driver's license or non-driver photo identification card that has not expired, only if the financing statement provides the name of the individual which is indicated on the driver's license or non-driver photo identification card;

(5) if the debtor is an individual to whom paragraph (4) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and

(6) in other cases:

(A) if the debtor has a name, only if the financing statement provides the organizational name of the debtor; and

(B) if the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(b) Additional debtor-related information. A financing statement that provides the name of the debtor in accordance with subsection (a) is not rendered ineffective by the absence of:

(1) a trade name or other name of the debtor; or

(2) unless required under subsection (a)(6)(B), names of partners, members, associates, or other persons comprising the debtor.

(c) Debtor's trade name insufficient. A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.

(d) Representative capacity. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(e) Multiple debtors and secured parties. A financing statement may provide the name of more than one debtor and the name of more than one secured party.

(f) Name of decedent. The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the "name of the decedent" under subsection (a)(2).

(g) Multiple driver's licenses. If this State has issued to an individual more than one driver's license or non-driver photo identification card of a kind described in subsection (a)(4), the one that was issued most recently is the one to which subsection (a)(4) refers.

(h) Definition. In this section, the "name of the settlor or testator" means:

(1) if the settlor is a registered organization, the name that is stated to be the settlor's name on the public organic record most recently filed with or issued or enacted by the settlor's jurisdiction of organization which purports to state, amend, or restate the settlor's name; or

(2) in other cases, the name of the settlor or testator indicated in the trust's organic record.

§ 9-504. Indication of Collateral

A financing statement sufficiently indicates the collateral that it covers if the financing statement provides:

- (1) a description of the collateral pursuant to Section 9-108; or
- (2) an indication that the financing statement covers all assets or all personal property.

§ 9-505. Filing and Compliance with Other Statutes and Treaties for Consignments, Leases, Other Bailments, and Other Transactions

(a) Use of terms other than “debtor” and “secured party.” A consignor, lessor, or other bailor of goods, a licensor, or a buyer of a payment intangible or promissory note may file a financing statement, or may comply with a statute or treaty described in Section 9-311(a), using the terms “consignor”, “consignee”, “lessor”, “lessee”, “bailor”, “bailee”, “licensor”, “licensee”, “owner”, “registered owner”, “buyer”, “seller”, or words of similar import, instead of the terms “secured party” and “debtor”.

(b) Effect of financing statement under subsection (a). This part applies to the filing of a financing statement under subsection (a) and, as appropriate, to compliance that is equivalent to filing a financing statement under Section 9-311(b), but the filing or compliance is not of itself a factor in determining whether the collateral secures an obligation. If it is determined for another reason that the collateral secures an obligation, a security interest held by the consignor, lessor, bailor, licensor, owner, or buyer which attaches to the collateral is perfected by the filing or compliance.

§ 9-506. Effect of Errors or Omissions.

(a) Minor errors and omissions. A financing statement substantially satisfying the requirements of this part is effective, even if it has minor errors or omissions, unless the errors or omissions make the financing statement seriously misleading.

(b) Financing statement seriously misleading. Except as otherwise provided in subsection (c), a financing statement that fails sufficiently to provide the name of the debtor in accordance with Section 9-503(a) is seriously misleading.

(c) Financing statement not seriously misleading. If a search of the records of the filing office under the debtor's correct name, using the filing office's standard search logic, if any, would disclose a financing statement that fails sufficiently to provide the name of the debtor in accordance with Section 9-503(a), the name provided does not make the financing statement seriously misleading.

(d) "Debtor's correct name." For purposes of Section 9-508(b), the "debtor's correct name" in subsection (c) means the correct name of the new debtor.

§ 9-507. Effect of Certain Events on Effectiveness of Financing Statement

(a) Disposition. A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(b) Information becoming seriously misleading. Except as otherwise provided in subsection (c) and Section 9-508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under Section 9-506.

(c) Change in debtor's name. If the name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under Section 9-503(a) so that the financing statement becomes seriously misleading under Section 9-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within four months after, the filed financing statement becomes seriously misleading; and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than four months after the filed financing statement becomes seriously misleading, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within four months after the financing statement became seriously misleading.

§ 9-508. Effectiveness of Financing Statement If New Debtor Becomes Bound by Security Agreement

(a) Financing statement naming original debtor. Except as otherwise provided in this section, a filed financing statement naming an original debtor is effective to perfect a security interest in collateral in which a new debtor has or acquires rights to the extent that the financing statement would have been effective had the original debtor acquired rights in the collateral.

(b) Financing statement becoming seriously misleading. If the difference between the name of the original debtor and that of the new debtor causes a filed financing statement that is effective under subsection (a) to be seriously misleading under Section 9-506:

(1) the financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within four months after, the new debtor becomes bound under Section 9-203(d); and

(2) the financing statement is not effective to perfect a security interest in collateral acquired by the new debtor more than four months after the new debtor becomes bound under Section 9-203(d) unless an initial financing statement providing the name of the new debtor is filed before the expiration of that time.

(c) When section not applicable. This section does not apply to collateral as to which a filed financing statement remains effective against the new debtor under Section 9-507(a).

§ 9-509. Persons Entitled to File a Record.

(a) Person entitled to file record. A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

(1) the debtor authorizes the filing in an authenticated record or pursuant to subsection (b) or (c); or

(2) the person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) Security agreement as authorization. By authenticating or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

(1) the collateral described in the security agreement; and

(2) property that becomes collateral under Section 9-315(a)(2), whether or not the security agreement expressly covers proceeds.

(c) Acquisition of collateral as authorization. By acquiring collateral in which a security interest or agricultural lien continues under Section 9-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under Section 9-315(a)(2).

(d) Person entitled to file certain amendments. A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

(1) the secured party of record authorizes the filing; or

(2) the amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by Section 9-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) Multiple secured parties of record. If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d).

§ 9-510. Effectiveness of Filed Record

(a) Filed record effective if authorized. A filed record is effective only to the extent that it was filed by a person that may file it under Section 9-509.

(b) Authorization by one secured party of record. A record authorized by one secured party of record does not affect the financing statement with respect to another secured party of record.

(c) Continuation statement not timely filed. A continuation statement that is not filed within the six-month period prescribed by Section 9-515(d) is ineffective.

§ 9-511. Secured Party of Record

(a) Secured party of record. A secured party of record with respect to a financing statement is a person whose name is provided as the name of the secured party or a representative of the secured party in an initial financing statement that has been filed. If an initial financing statement is filed under Section 9-514(a), the assignee named in the initial financing statement is the secured party of record with respect to the financing statement.

(b) Amendment naming secured party of record. If an amendment of a financing statement which provides the name of a person as a secured party or a representative of a secured party is filed, the person named in the amendment is a secured party of record. If an amendment is filed under Section 9-514(b), the assignee named in the amendment is a secured party of record.

(c) Amendment deleting secured party of record. A person remains a secured party of record until the filing of an amendment of the financing statement which deletes the person.

§ 9-512. Amendment of Financing Statement.

(a) Amendment of information in financing statement. Subject to Section 9-509, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or, subject to subsection (e), otherwise amend the information provided in, a financing statement by filing an amendment that:

(1) identifies, by its file number, the initial financing statement to which the amendment relates; and

(2) if the amendment relates to an initial financing statement filed in a filing office described in Section 9-501(a)(1), provides the date and time that the initial financing statement was filed and the information specified in Section 9-502(b).

(b) Period of effectiveness not affected. Except as otherwise provided in Section 9-515, the filing of an amendment does not extend the period of effectiveness of the financing statement.

(c) Effectiveness of amendment adding collateral. A financing statement that is amended by an amendment that adds collateral is effective as to the added collateral only from the date of the filing of the amendment.

(d) Effectiveness of amendment adding debtor. A financing statement that is amended by an amendment that adds a debtor is effective as to the added debtor only from the date of the filing of the amendment.

(e) Certain amendments ineffective. An amendment is ineffective to the extent it:

(1) purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement; or

(2) purports to delete all secured parties of record and fails to provide the name of a new secured party of record.

§ 9-513. Termination Statement.

(a) Consumer goods. A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) the debtor did not authorize the filing of the initial financing statement.

(b) Time for compliance with subsection (a). To comply with subsection (a), a secured party shall cause the secured party of record to file the termination statement:

(1) within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) if earlier, within 20 days after the secured party receives an authenticated demand from a debtor.

(c) Other collateral. In cases not governed by subsection (a), within 20 days after a secured party receives an authenticated demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(2) the financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) the financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) the debtor did not authorize the filing of the initial financing statement.

(d) Effect of filing termination statement. Except as otherwise provided in Section 9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in Section 9-510, for purposes of Section 9-519(g), 9-522(a), and 9-523(c), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

(e) Cooperative Interests.

(1) "Cooperative Interest Settlement" means the time and place at which an owner of a cooperative interest transfers the cooperative interest, or refinances or pays off the debt secured by the cooperative interest.

(2) Upon an authenticated demand with sufficient notice by a debtor, the secured party shall deliver to a cooperative interest settlement a termination statement or partial release and any component of the cooperative record of which it took possession, which shall be released to the debtor upon payment of the debt secured by the cooperative interest and the discharge of any obligation of the secured party to make further advances. Unless the secured party has agreed otherwise or the cooperative interest settlement takes place at the offices of the secured party, the secured party or its agent shall be entitled to a reasonable fee for attendance at the cooperative interest settlement.

(3) Upon payment of the debt secured by a cooperative interest other than at a cooperative interest settlement and the discharge of any obligation of the secured party to make further advances, the secured party shall arrange for a termination statement or partial release to be filed within one month of receipt of the payment or discharge of the obligation to make further advances, whichever is later, and shall send to the debtor any component of the cooperative record of which it took possession.

§ 9-514. Assignment of Powers of Secured Party of Record

(a) Assignment reflected on initial financing statement. Except as otherwise provided in subsection (c), an initial financing statement may reflect an assignment of all of the secured party's power to authorize an amendment to the financing statement by providing the name and mailing address of the assignee as the name and address of the secured party.

(b) Assignment of filed financing statement. Except as otherwise provided in subsection (c), a secured party of record may assign of record all or part of its power to authorize an amendment to a financing statement by filing in the filing office an amendment of the financing statement which:

(1) identifies, by its file number, the initial financing statement to which it relates;

(2) provides the name of the assignor; and

(3) provides the name and mailing address of the assignee.

(c) Assignment of record of mortgage. An assignment of record of a security interest in a fixture covered by a record of a mortgage which is effective as a financing statement filed as a fixture filing under Section 9-502(c) may be made only by an assignment of record of the mortgage in the manner provided by law of this state other than this chapter.

§ 9-515. Duration and Effectiveness of Financing Statement; Effect of Lapsed Financing Statement.

(a) Five-year effectiveness. Except as otherwise provided in subsections (b), (e), (f), (g), and (h), a filed financing statement is effective for a period of five years after the date of filing.

(b) Public-financed or manufactured-home transaction. Except as otherwise provided in subsections (e), (f), (g), and (h), an initial financing statement filed in connection with a public-financed transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-financed transaction or manufactured-home transaction.

(c) Lapse and continuation of financing statement. The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (d). Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(d) When continuation statement may be filed. A continuation statement may be filed only within six months before the expiration of the five-year period specified in subsection (a) or the thirty-year period specified in subsection (b) or the fifty-year period specified in subsection (h), whichever is applicable.

(e) Effect of filing continuation statement. Except as otherwise provided in Section 9-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of five years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the five-year period, the financing statement lapses in the same manner as provided in subsection (c), unless, before the lapse, another continuation statement is filed pursuant to subsection (d). Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(f) Transmitting utility financing statement. If a debtor is a transmitting utility and a filed initial financing statement so indicates, the financing statement is effective until a termination statement is filed.

(g) Record of mortgage as financing statement. A record of a mortgage that is effective as a financing statement filed as a fixture filing under Section 9-502(c) remains effective as a financing statement filed as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

(h) Cooperative interest transaction. An initial financing statement covering a cooperative interest is effective for a period of 50 years after the date of the filing of the initial financing

statement if a cooperative addendum is filed simultaneously with the initial financing statement or is filed before the financing statement lapses.

§ 9-516. What Constitutes Filing; Effectiveness of Filing

(a) What constitutes filing. Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Refusal to accept record; filing does not occur. Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) the record is not communicated by a method or medium of communication authorized by the filing office;

(2) an amount equal to or greater than the applicable filing fee is not tendered;

(3) the filing office is unable to index the record because:

(A) in the case of an initial financing statement, the record does not provide a name for the debtor;

(B) in the case of an amendment or correction statement, the record:

(i) does not identify the initial financing statement as required by Section 9-512 or 9-518, as applicable; or

(ii) identifies an initial financing statement whose effectiveness has lapsed under Section 9-515;

(C) in the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing

statement to which the record relates, the record does not identify the debtor's last name; or

(D) in the case of a record filed in the filing office described in Section 9-501 (a) (1), the record does not provide a sufficient description of the real property to which it relates;

(4) in the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) in the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) provide a mailing address for the debtor; or

(B) indicate whether the debtor is an individual or an organization;

(C) if the financing statement indicates that the debtor is an organization, provide:

(i) a type of organization for the debtor, or

(ii) a jurisdiction of organization for the debtor; or

(6) in the case of an assignment reflected in an initial financing statement under Section 9-514(a) or an amendment filed under Section 9-514(b), the record does not provide a name and mailing address for the assignee; or

(7) in the case of a continuation statement, the record is not filed within the six-month period prescribed by Section 9-515(d).

(c) Rules applicable to subsection (b). For purposes of subsection (b):

(1) a record does not provide information if the filing office is unable to read or decipher the information; and

(2) a record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by Section 9-512, 9-514, or 9-518, is an initial financing statement.

(d) Refusal to accept record; record effective as filed record. A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

(e) Special rule for cooperative interests; record effective as notice. A filing that includes a cooperative addendum covering a cooperative interest constitutes notice of the existence of the security interest in the cooperative interest as of the date of the filing of the cooperative addendum, except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

§ 9-517. Effect of Indexing Errors

The failure of the filing office to index a record correctly does not affect the effectiveness of the filed record.

§ 9-518. Claim Concerning Inaccurate or Wrongfully Filed Record

(a) Correction statement. A person may file in the filing office a correction statement with respect to a record indexed there under the person's name if the person believes that the record is inaccurate or was wrongfully filed.

(b) Sufficiency of correction statement. A correction statement must:

(1) identify the record to which it relates by:

(2) indicate that it is a correction statement; and

(3) provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for the person's belief that the record was wrongfully filed.

(c) Record not affected by correction statement. The filing of a correction statement does not affect the effectiveness of an initial financing statement or other filed record.

(d) Special proceeding to redact or expunge a falsely filed or amended financing statement. (1) Provided he or she is an employee of the state or a political subdivision thereof, a person identified as a debtor in a financing statement filed pursuant to this subpart may bring a special proceeding against the named filer of such statement or any amendment thereof to invalidate the filing or amendment thereof where such statement was falsely filed or amended; except that an attorney who is not an employee of the state or a political subdivision thereof may also bring a special proceeding hereunder where he or she represents or has represented the respondent therein in a criminal court. Such special proceeding shall be governed by article four of the civil practice law and rules, and shall be commenced in the supreme court of Albany county, the county of the petitioner's residence or a county within the judicial district in which any property covered by the financing statement is located. No fee pursuant to article eighty of the civil practice law and rules shall be collected in such special proceeding.

(2) The petition in a special proceeding hereunder shall plead that:

a political subdivision thereof, or (ii) in the case of a special proceeding brought by an attorney who is not an employee of the state or a political subdivision thereof, to retaliate for the performance of the petitioner's duties in his or her capacity as an attorney for the respondent in a criminal court; and

(B) such financing statement does not relate to an interest in a consumer-goods transaction, a commercial transaction, or any other actual transaction between the petitioner and the respondent; and

(C) the collateral covered in such financing statement is the property of the petitioner; and

(D) prompt redaction or invalidation of the financing statement is necessary to avert or mitigate prejudice to the petitioner.

(3) If the court makes a written finding that the allegations in paragraph two of this subsection are established, the court shall order the expungement of such statement or its redaction in the public records in the office in which the financing statement is filed, as appropriate, and may grant any additional relief authorized by section 9-625. In such case, the court shall cause a copy of its order to be filed with the secretary of state or other appropriate filing office pursuant to this chapter. Upon a finding that the respondent has engaged in a repeated pattern of false filings as found under this subsection, the court also may enjoin the respondent from filing or amending any further financing statement pursuant to this article without leave of the court. If the respondent is incarcerated at the time the court issues an order containing such an injunction, the court shall cause the head of the correctional facility in which the respondent is incarcerated to receive a copy of such determination. The head of such a facility shall cause a copy of such order to be provided to the respondent. In any instances of the issuance of such an injunction where the respondent has defaulted, the court shall direct service of such injunction upon the respondent.

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under Section 9-607 in the following order to:

(A) the reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(B) the satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(e) Disclaimer of warranties. A secured party may disclaim or modify warranties under subsection (d):

(1) in a manner that would be effective to disclaim or modify the warranties in a voluntary disposition of property of the kind subject to the contract of disposition; or

(2) by communicating to the purchaser a record evidencing the contract for disposition and including an express disclaimer or modification of the warranties.

(f) Record sufficient to disclaim warranties. A record is sufficient to disclaim warranties under subsection (e) if it indicates “There is no warranty relating to title, possession, quiet enjoyment, or the like in this disposition” or uses words of similar import.

§ 9-611. Notification Before Disposition of Collateral.

(a) “Notification date.” In this section, “notification date” means the earlier of the date on which:

(1) a secured party sends to the debtor and any secondary obligor an authenticated notification of disposition; or

(2) the debtor and any secondary obligor waive the right to notification.

(2) before the notification date, the secured party:

(A) did not receive a response to the request for information; or

(B) received a response to the request for information and sent an authenticated notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.

(f) Additional pre-disposition notice for cooperative interests.

(1) In addition to such other notification as may be required pursuant to subsection (b) of this section and section 9-613 of this article, a secured party whose collateral consists of a residential cooperative interest used by the debtor and whose security interest in such collateral secures an obligation incurred in connection with financing or refinancing of the acquisition of such cooperative interest and who proposes to dispose of such collateral after a default with respect to such obligation, shall send to the debtor, not less than ninety days prior to the date of the disposition of the cooperative interest, an additional pre-disposition notice as provided herein.

(1-a) Notwithstanding any other provision of law, with regard to a reverse cooperative apartment unit loan, at least forty-five days before a secured party, as defined under Section 9-102(a)(73), or its agent takes any steps to dispose of its collateral, as provided for in Section 9-610, the secured party or its agent shall give notice to the borrower, and

separate notice to the borrower's designated third-party if one has been designated in at least fourteen-point type except for the heading which shall be in at least sixteen-point type. The notice shall include the following:

YOU COULD LOSE YOUR COOPERATIVE APARTMENT UNIT TO FORECLOSURE.

PLEASE READ THE FOLLOWING NOTICE CAREFULLY.

Date

Borrower's address

Loan Number:

Property Address:

Dear Borrower(s) {or heirs of Debtor?}:

As of _____, your reverse cooperative apartment unit loan is in default. Under New York State Law, we are required to send you this notice to inform you that you may be at risk of losing your home.

Your reverse loan is in default because you have not complied with the following conditions of your loan:

_____ You are not occupying your cooperative apartment unit as your primary residence

_____ You did not submit the required annual certificate of occupancy

_____ The named borrower on the reverse loan has died

_____ You did not pay maintenance on your unit to the cooperative corporation, and {servicer} paid your maintenance for you on the following date(s) in the following amount(s):

_____ You did not make required repairs to your unit

If the claim is based on your failure to pay maintenance to the cooperative corporation, you can cure this default by making the payment of \$_____ for the advances we made towards these payments on your behalf.

You have the right to dispute the claims listed above by contacting us, by calling _____ or sending a letter to _____. This may include proof of payments made for water and sewer charges or a current declaration page from your insurance company, or any other proof to dispute the servicer's claim.

OPTIONS MAY BE AVAILABLE FOR YOU TO CURE YOUR DEFAULT. SOME OF THESE OPTIONS ARE LISTED BELOW. YOU MAY CONTACT {SERVICER} AT {TOLL-FREE NUMBER} TO DISCUSS YOUR OPTIONS.

If you are in default for failure to pay maintenance, you may qualify for a re-payment plan to cure the default balance owed.

Attached to this notice is a list of New York approved housing counseling agencies and legal services in your area which provide free counseling. A statewide listing by county is also available at https://www.dfs.ny.gov/consumers/help_for_homeowners/new_york_state_non-profit_housing_counseling_agencies. You may also call your local Department of Aging for a referral or call 311 if you live in New York City.

Qualified free help is available; watch out for companies or people who charge a fee for these services.

You may also contact {SERVICER} directly at _____ and ask to discuss all possible options to allow you to cure your default and prevent the foreclosure of your home. While we cannot ensure that a resolution is possible, we encourage you to take immediate steps to try to achieve a resolution. The longer you wait, the fewer options you may have.

If you have not taken any actions to resolve this matter within ninety days from the date this notice was mailed, we will have the right to take your cooperative shares from you.

If you need further information, please call the New York State Department of Financial Services' toll-free helpline at 877-226-5697 or visit the Department's website at <http://www.dfs.ny.gov>.

IMPORTANT: You have the right to remain in your unit until you receive a court order telling you to leave the property. If a foreclosure action is filed against you in court, you still have the right to remain in the unit until a court orders you to leave. You legally remain the owner of your cooperative shares and are responsible for the unit until the shares are transferred to a new owner through a sale. However, there will be no court proceeding before the shares are transferred to a new owner. After the shares are transferred, the new owner may begin a court proceeding to evict you from the unit.

This notice is not an eviction notice.

(2) The notice required by this subsection shall be in bold, fourteen-point type and shall be printed on colored paper that is other than the color of the notice required by subsection (b) of this section, and the title of the notice shall be in bold, twenty-point type. The notice shall be on its own page.

(3) The notice required by this subsection shall appear as follows:

Help for Homeowners at Risk of Foreclosure

New York State Law requires that we send you this information about the foreclosure process. Please read it carefully.

Notice

You are in danger of losing your home. You are in default of your obligations under the loan secured by your rights to your cooperative apartment. It is important that you take action, if you wish to avoid losing your home.

Sources of Information and Assistance

The State encourages you to become informed about your options, by seeking assistance from an attorney, a legal aid office, or a government agency or non-profit organization that provides counseling with respect to home foreclosures.

To locate a housing counselor near you, you may call the toll-free helpline maintained by the New York State Department of Financial Services at (enter number) or visit the Department's website at (enter web address).

One of these persons or organizations may be able to help you, including trying to work with your lender to modify the loan to make it more affordable.

Foreclosure rescue scams

Be careful of people who approach you with offers to “save” your home. There are individuals who watch for notices of foreclosure actions or collateral sales in order to unfairly profit from a homeowner's distress. You should be extremely careful about any such promises and any suggestions that you pay them a fee or sign any papers that transfer rights of any kind to your cooperative apartment. State law requires anyone offering such services for profit to enter into a contract which fully describes the services they will perform and fees they will charge, and which prohibits them from taking any money from you until they have completed all such promised services.

(4) The department of financial services shall prescribe the telephone number and web address to be included in the notice.

(5) The department of financial services shall post on its website or otherwise make readily available the name and contact information of government agencies or non-profit organizations that may be contacted for information about the foreclosure process, including maintaining a toll-free helpline to disseminate the information required by this subsection.

In a transaction other than a consumer transaction, a notification of disposition sent after default and 10 days or more before the earliest time of disposition set forth in the notification is sent within a reasonable time before the disposition.

§ 9-613. Contents and Form of Notification Before Disposition of Collateral: General

(f) If a notification under this section is not in the form of subsection (c), law other than this article determines the effect of including information not required by subsection (a).

§ 9-615. Application of Proceeds of Disposition; Liability for Deficiency and Right to Surplus.

(a) Application of proceeds. A secured party shall apply or pay over for application the cash proceeds of disposition under Section 9-610 in the following order to:

(1) the reasonable expenses of retaking, holding, preparing for disposition, processing, and disposing, and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(1-a) in the case of a cooperative organization security interest, the holder thereof in the amount secured thereby;

(2) the satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) the satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(A) the secured party receives from the holder of the subordinate security interest or other lien an authenticated demand for proceeds before distribution of the proceeds is completed; and

(B) in a case in which a consignor has an interest in the collateral, the subordinate security interest or other lien is senior to the interest of the consignor; and

(4) a secured party that is a consignor of the collateral if the secured party receives from the consignor an authenticated demand for proceeds before distribution of the proceeds is completed.

(b) Proof of subordinate interest. If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a

reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (a) (3).

(c) Application of noncash proceeds. A secured party need not apply or pay over for application noncash proceeds of disposition under Section 9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) Surplus or deficiency if obligation secured. If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) and permitted by subsection (c):

(1) unless subsection (a)(4) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) the obligor is liable for any deficiency.

(e) No surplus or deficiency in sales of certain rights to payment. If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) the debtor is not entitled to any surplus; and

(2) the obligor is not liable for any deficiency.

(f) Calculation of surplus or deficiency in disposition to person related to secured party. The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) the transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) the amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) Cash proceeds received by junior secured party. A secured party that receives cash proceeds of a disposition in good faith and without knowledge that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest or agricultural lien under which the disposition is made:

(1) takes the cash proceeds free of the security interest or other lien;

(2) is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and

(3) is not obligated to account to or pay the holder of the security interest or other lien for any surplus.

§ 9-616. Explanation of Calculation of Surplus or Deficiency

(a) Definitions. In this section:

(1) “Explanation” means a writing that:

(A) states the amount of the surplus or deficiency;

(B) provides an explanation in accordance with subsection (c) of how the secured party calculated the surplus or deficiency;

(C) states, if applicable, that future debits, credits, charges, including additional credit service charges or interest, rebates, and expenses may affect the amount of the surplus or deficiency; and

(D) provides a telephone number or mailing address from which additional information concerning the transaction is available.

(2) "Request" means a record:

- (A) authenticated by a debtor or consumer obligor;
- (B) requesting that the recipient provide an explanation; and
- (C) sent after disposition of the collateral under Section 9-610.

(b) Explanation of calculation. In a consumer-goods transaction in which the debtor is entitled to a surplus or a consumer obligor is liable for a deficiency under Section 9-615, the secured party shall:

(1) send an explanation to the debtor or consumer obligor, as applicable, after the disposition and:

- (A) before or when the secured party accounts to the debtor and pays any surplus or first makes written demand on the consumer obligor after the disposition for payment of the deficiency; and
- (B) within fourteen days after receipt of a request; or

(2) in the case of a consumer obligor who is liable for a deficiency, within fourteen days after receipt of a request, send to the consumer obligor a record waiving the secured party's right to a deficiency.

(c) Required information. To comply with subsection (a)(1)(B), a writing must provide the following information in the following order:

(1) the aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:

- (A) if the secured party takes or receives possession of the collateral after default, not more than thirty-five days before the secured party takes or receives possession; or

(B) if the secured party takes or receives possession of the collateral before default or does not take possession of the collateral, not more than thirty-five days before the disposition;

(2) the amount of proceeds of the disposition;

(3) the aggregate amount of the obligations after deducting the amount of proceeds;

(4) the amount, in the aggregate or by type, and types of expenses, including expenses of retaking, holding, preparing for disposition, processing, and disposing of the collateral, and attorney's fees secured by the collateral which are known to the secured party and relate to the current disposition;

(5) the amount, in the aggregate or by type, and types of credits, including rebates of interest or credit service charges, to which the obligor is known to be entitled and which are not reflected in the amount in paragraph (1); and

(6) the amount of the surplus or deficiency.

(d) Substantial compliance. A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) is sufficient, even if it includes minor errors that are not seriously misleading.

(e) Charges for responses. A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subsection (b)(1). The secured party may require payment of a charge not exceeding 25 dollars for each additional response.

§ 9-617. Rights of Transferee of Collateral

(a) Effects of disposition. A secured party's disposition of collateral after default:

(1) transfers to a transferee for value all of the debtor's rights in the collateral;

(2) discharges the security interest under which the disposition is made; and

(3) discharges any subordinate security interest or other subordinate lien other than liens created under any law of this state that are not to be discharged.

(b) Rights of good-faith transferee. A transferee that acts in good faith takes free of the rights and interests described in subsection (a), even if the secured party fails to comply with this article or the requirements of any judicial proceeding.

(c) Rights of other transferee. If a transferee does not take free of the rights and interests described in subsection (a), the transferee takes the collateral subject to:

(1) the debtor's rights in the collateral;

(2) the security interest or agricultural lien under which the disposition is made; and

(3) any other security interest or other lien.

§ 9-618. Rights and Duties of Certain Secondary Obligors

(a) Rights and duties of secondary obligor. A secondary obligor acquires the rights and becomes obligated to perform the duties of the secured party after the secondary obligor:

(1) receives an assignment of a secured obligation from the secured party;

(2) receives a transfer of collateral from the secured party and agrees to accept the rights and assume the duties of the secured party; or

(3) is subrogated to the rights of a secured party with respect to collateral.

(b) Effect of assignment, transfer, or subrogation. An assignment, transfer, or subrogation described in subsection (a):

(1) is not a disposition of collateral under Section 9-610; and

(2) relieves the secured party of further duties under this article.

§ 9-619. Transfer of Record or Legal Title

(a) “Transfer statement.” In this section, “transfer statement” means a record authenticated by a secured party stating:

(1) that the debtor has defaulted in connection with an obligation secured by specified collateral;

(2) that the secured party has exercised its post-default remedies with respect to the collateral;

(3) that, by reason of the exercise, a transferee has acquired the rights of the debtor in the collateral; and

(4) the name and mailing address of the secured party, debtor, and transferee.

(b) Effect of transfer statement. A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

(1) accept the transfer statement;

(2) promptly amend its records to reflect the transfer; and

(3) if applicable, issue a new appropriate certificate of title in the name of the transferee.

(c) Transfer not a disposition; no relief of secured party's duties. A transfer of the record or legal title to collateral to a secured party under subsection (b) or otherwise is not of itself a disposition of collateral under this article and does not of itself relieve the secured party of its duties under this article.

§ 9-620. Acceptance of Collateral in Full or Partial Satisfaction of Obligation; Compulsory Disposition of Collateral.

(a) Except as otherwise provided in subsections (g) and (h), a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

(1) the debtor consents to the acceptance under subsection (c);

(2) the secured party does not receive, within the time set forth in subsection (d), a notification of objection to the proposal authenticated by:

(A) a person to which the secured party was required to send a proposal under Section 9-621; or

(B) any other person, other than the debtor, holding an interest in the collateral subordinate to the security interest that is the subject of the proposal;

(3) if the collateral is consumer goods, the collateral is not in the possession of the debtor when the debtor consents to the acceptance; and

(4) subsection (e) does not require the secured party to dispose of the collateral or the debtor waives the requirement pursuant to Section 9-624.

(b) Purported acceptance ineffective. A purported or apparent acceptance of collateral under this section is ineffective unless:

(1) the secured party consents to the acceptance in an authenticated record or sends a proposal to the debtor; and

(2) the conditions of subsection (a) are met.

(c) Debtor's consent. For purposes of this section:

(1) a debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default; and

(2) a debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record authenticated after default or the secured party:

(A) sends to the debtor after default a proposal that is unconditional or subject only to a condition that collateral not in the possession of the secured party be preserved or maintained;

(B) in the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and

(C) does not receive a notification of objection authenticated by the debtor within twenty days after the proposal is sent.

(d) Effectiveness of notification. To be effective under subsection (a)(2), a notification of objection must be received by the secured party:

(1) in the case of a person to which the proposal was sent pursuant to Section 9-621, within 20 days after notification was sent to that person; and

(2) in other cases:

(A) within 20 days after the last notification was sent pursuant to Section 9-621;
or

(B) if a notification was not sent, before the debtor consents to the acceptance under subsection (c).

(e) Mandatory disposition of consumer goods. A secured party that has taken possession of collateral shall dispose of the collateral pursuant to Section 9-610 within the time specified in subsection (f) if:

(1) sixty percent of the cash price has been paid in the case of a purchase-money security interest in consumer goods; or

(2) sixty percent of the principal amount of the obligation secured has been paid in the case of a non-purchase-money security interest in consumer goods.

(f) Compliance with mandatory disposition requirement. To comply with subsection (e), the secured party shall dispose of the collateral:

(1) within 90 days after taking possession; or

(2) within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and authenticated after default.

(g) No partial satisfaction in consumer transaction. In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.

(h) Special provisions for cooperative interests. A secured party whose collateral consists of a residential cooperative interest used by the debtor and whose security interest in such collateral secures an obligation incurred in connection with financing or refinancing of the acquisition of such cooperative interest and who chooses to accept that cooperative interest in full satisfaction of the debtor's obligation may do so.

(1) If the secured party sends a proposal to take the cooperative interest in full satisfaction of the debtor's obligation, the proposal shall be accompanied by a notice in the form and manner prescribed in subsection (f) of section 9-611 of this subpart, unless the secured party has previously sent the debtor such notice. A debtor consents to an acceptance of a cooperative interest in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the proposal in a record authenticated after default.

(2) A debtor may propose to the secured party that it take the cooperative interest in full satisfaction of the obligation it secures. The proposal shall be ineffective unless the secured party consents to the proposal in an authenticated record.

§ 9-621. Notification of Proposal to Accept Collateral

(a) Persons to which proposal to be sent. A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(1) any person from which the secured party has received, before the debtor consented to the acceptance, an authenticated notification of a claim of an interest in the collateral;

(2) any other secured party or lienholder that, 10 days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

(A) identified the collateral;

(B) was indexed under the debtor's name as of that date; and

(C) was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(3) any other secured party that, 10 days before the debtor consented to the acceptance, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in Section 9-311(a).

(b) Proposal to be sent to secondary obligor in partial satisfaction. A secured party that desires to accept collateral in partial satisfaction of the obligation it secures shall send its proposal to any secondary obligor in addition to the persons described in subsection (a).

§ 9-622. Effect of Acceptance of Collateral

(a) Effect of acceptance. A secured party's acceptance of collateral in full or partial satisfaction of the obligation it secures:

(1) discharges the obligation to the extent consented to by the debtor;

(2) transfers to the secured party all of a debtor's rights in the collateral;

(3) discharges the security interest or agricultural lien that is the subject of the debtor's consent and any subordinate security interest or other subordinate lien; and

(4) terminates any other subordinate interest.

(b) Discharge of subordinate interest notwithstanding noncompliance. A subordinate interest is discharged or terminated under subsection (a), even if the secured party fails to comply with this article.

§ 9-623. Right to Redeem Collateral.

(a) Persons that may redeem. A debtor, any secondary obligor, or any other secured party or lienholder may redeem collateral.

(b) Requirements for redemption. To redeem collateral, a person shall tender:

(1) fulfillment of all obligations secured by the collateral; and

(2) the reasonable expenses and attorney's fees described in Section 9-615(a)(1).

(c) When redemption may occur. A redemption may occur at any time before a secured party:

(1) has collected collateral under Section 9-607;

(2) has disposed of collateral or entered into a contract for its disposition under Section 9-610; or

(3) has accepted collateral in full or partial satisfaction of the obligation it secures under Section 9-622.

§ 9-624. Waiver

(a) Waiver of disposition notification. A debtor or secondary obligor may waive the right to notification of disposition of collateral under Section 9-611 only by an agreement to that effect entered into and authenticated after default.

(b) Waiver of mandatory disposition. A debtor may waive the right to require disposition of collateral under Section 9-620 (e) only by an agreement to that effect entered into and authenticated after default.

(c) Waiver of redemption right. Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under Section 9-623 only by an agreement to that effect entered into and authenticated after default.

Subpart 2: Noncompliance and Liability

§ 9-625. Remedies for Secured Party's Failure to Comply with Article

(a) Judicial orders concerning noncompliance. If it is established that a secured party is not proceeding in accordance with this article, a court may order or restrain collection, enforcement, or disposition of collateral on appropriate terms and conditions.

(b) Damages for noncompliance. Subject to subsections (c), (d), and (f), a person is liable for damages in the amount of any loss caused by a failure to comply with this article. Loss caused by a failure to comply may include loss resulting from the debtor's inability to obtain, or increased costs of, alternative financing.

(c) Persons entitled to recover damages; statutory damages if collateral is consumer goods. Except as otherwise provided in Section 9-628:

(1) a person that, at the time of the failure, was a debtor, was an obligor, or held a security interest in or other lien on the collateral may recover damages under subsection (b) for its loss; and

(2) if the collateral is consumer goods, a person that was a debtor or a secondary obligor at the time a secured party failed to comply with this part may recover for that failure in any event an amount not less than the credit service charge plus 10 percent of the principal amount of the obligation or the time-price differential plus 10 percent of the cash price.

(d) Recovery when deficiency eliminated or reduced. A debtor whose deficiency is eliminated under Section 9-626 may recover damages for the loss of any surplus. However, a debtor or secondary obligor whose deficiency is eliminated or reduced under Section 9-626 may not otherwise recover under subsection (b) for noncompliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(e) Statutory damages: noncompliance with specified provisions. In addition to any damages recoverable under subsection (b), the debtor, consumer obligor, or person named as a debtor in a filed record, as applicable, may recover five hundred dollars in each case from a person that:

(1) fails to comply with Section 9-208;

(2) fails to comply with Section 9-209;

(3) files a record that the person is not entitled to file under Section 9-509(a);

(4) fails to cause the secured party of record to file or send a termination statement as required by Section 9-513 (a), (c), or (e);

(5) fails to comply with Section 9-616 (b) (1) and whose failure is part of a pattern, or consistent with a practice, of noncompliance; or

(6) fails to comply with Section 9-616 (b) (2).

(f) Statutory damages: noncompliance with Section 9-210. A debtor or consumer obligor may recover damages under subsection (b) and, in addition, five hundred dollars in each case from a person that, without reasonable cause, fails to comply with a request under Section 9-210. A recipient of a request under Section 9-210 which never claimed an interest in the collateral or

obligations that are the subject of a request under that section has a reasonable excuse for failure to comply with the request within the meaning of this subsection.

(g) Limitation of security interest: noncompliance with Section 9-210. If a secured party fails to comply with a request regarding a list of collateral or a statement of account under Section 9-210, the secured party may claim a security interest only as shown in the list or statement included in the request as against a person that is reasonably misled by the failure.

§ 9-626. Action in Which Deficiency or Surplus is in Issue

(a) Applicable rules if amount of deficiency or surplus is in issue. In an action arising from a transaction, other than a consumer transaction, in which the amount of a deficiency or surplus is in issue, the following rules apply:

(1) A secured party need not prove compliance with the provisions of this part relating to collection, enforcement, disposition, or acceptance unless the debtor or a secondary obligor places the secured party's compliance in issue.

(2) If the secured party's compliance is placed in issue, the secured party has the burden of establishing that the collection, enforcement, disposition, or acceptance was conducted in accordance with this part.

(3) Except as otherwise provided in Section 9-628, if a secured party fails to prove that the collection, enforcement, disposition, or acceptance was conducted in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance, the liability of a debtor or a secondary obligor for a deficiency is limited to an amount by which the sum of the secured obligation, expenses, and attorney's fees exceeds the greater of:

(A) the proceeds of the collection, enforcement, disposition, or acceptance; or

(B) the amount of proceeds that would have been realized had the noncomplying secured party proceeded in accordance with the provisions of this part relating to collection, enforcement, disposition, or acceptance.

(4) For purposes of paragraph (3)(B), the amount of proceeds that would have been realized is equal to the sum of the secured obligation, expenses, and attorney's fees unless the secured party proves that the amount is less than that sum.

(5) If a deficiency or surplus is calculated under Section 9-615(f), the debtor or obligor has the burden of establishing that the amount of proceeds of the disposition is significantly below the range of prices that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(b) Non-consumer transactions; no inference. The limitation of the rules in subsection (a) to transactions other than consumer transactions is intended to leave to the court the determination of the proper rules in consumer transactions. The court may not infer from that limitation the nature of the proper rule in consumer transactions and may continue to apply established approaches.

§ 9-627. Determination of Whether Conduct Was Commercially Reasonable

(a) Greater amount obtainable under other circumstances; no preclusion of commercial reasonableness. The fact that a greater amount could have been obtained by a collection, enforcement, disposition, or acceptance at a different time or in a different method from that selected by the secured party is not of itself sufficient to preclude the secured party from establishing that the collection, enforcement, disposition, or acceptance was made in a commercially reasonable manner.

(b) Dispositions that are commercially reasonable. A disposition of collateral is made in a commercially reasonable manner if the disposition is made:

(1) in the usual manner on any recognized market;

(2) at the price current in any recognized market at the time of the disposition; or

(3) otherwise in conformity with reasonable commercial practices among dealers in the type of property that was the subject of the disposition.

(c) Approval by court or on behalf of creditors. A collection, enforcement, disposition, or acceptance is commercially reasonable if it has been approved:

- (1) in a judicial proceeding;
- (2) by a bona fide creditors' committee;
- (3) by a representative of creditors; or
- (4) by an assignee for the benefit of creditors.

(d) Approval under subsection (c) not necessary; absence of approval has no effect. Approval under subsection (c) need not be obtained, and lack of approval does not mean that the collection, enforcement, disposition, or acceptance is not commercially reasonable.

§ 9-628. Nonliability and Limitation on Liability of Secured Party; Liability of Secondary Obligor

(a) Limitation of liability of secured party for noncompliance with article. Unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

- (1) the secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this article; and
- (2) the secured party's failure to comply with this article does not affect the liability of the person for a deficiency.

(b) Limitation of liability based on status as secured party. A secured party is not liable because of its status as secured party:

- (1) to a person that is a debtor or obligor, unless the secured party knows:

(A) that the person is a debtor or obligor;

(B) the identity of the person; and

(C) how to communicate with the person; or

(2) to a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(A) that the person is a debtor; and

(B) the identity of the person.

(c) Limitation of liability if reasonable belief that transaction not a consumer-goods transaction or consumer transaction. A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) a debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) an obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) Limitation of liability for statutory damages. A secured party is not liable to any person under Section 9-625 (c) (2) for its failure to comply with Section 9-616.

(e) Limitation of multiple liability for statutory damages. A secured party is not liable under Section 9-625 (c) (2) more than once with respect to any one secured obligation.

Part 7: Transition

§ 9-700. Definitions

The following words and terms when used in this part 7 shall have the following meanings:

“Former Article 9.” The provisions of article 9 of the Uniform Commercial Code of this state as in effect before the effective date of Revised Article 9.

“Revised Article 9.” The provisions of article 9 of the Uniform Commercial Code of this state, as amended by the chapter of the laws of 2001 which added these words and as they may be further amended.

§ 9-701. Effective Date

Revised Article 9 takes effect on July 1, 2001.

§ 9-702. Savings Clause

(a) Pre-effective-date transactions or liens. Except as otherwise provided in this part, Revised Article 9 applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before Revised Article 9 takes effect.

(b) Continuing validity. Except as otherwise provided in subsection (c) and Sections 9-703 through 9-709:

(1) transactions and liens that were not governed by Former Article 9, were validly entered into or created before Revised Article 9 takes effect, and would be subject to Revised Article 9 if they had been entered into or created after Revised Article 9 takes effect, and the rights, duties, and interests flowing from those transactions and liens remain valid after Revised Article 9 takes effect; and

(2) the transactions and liens may be terminated, completed, consummated, and enforced as required or permitted by Revised Article 9 or by the law that otherwise would apply if Revised Article 9 had not taken effect.

(c) Pre-effective-date proceedings. Revised Article 9 does not affect an action, case, or proceeding commenced before Revised Article 9 takes effect.

§ 9-703. Security Interest Perfected Before Effective Date

(a) Continuing priority over lien creditor: perfection requirements satisfied. A security interest that is enforceable immediately before Revised Article 9 takes effect and would have priority over the rights of a person that becomes a lien creditor at that time is a perfected security interest under Revised Article 9 if, when Revised Article 9 takes effect, the applicable requirements for enforceability and perfection under Revised Article 9 are satisfied without further action.

(b) Continuing priority over lien creditor: perfection requirements not satisfied. Except as otherwise provided in Section 9-705 and subsection (c), if, immediately before this article takes effect, a security interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but the applicable requirements for enforceability or perfection under this article are not satisfied when this article takes effect, the security interest:

(1) is a perfected security interest for one year after this article takes effect;

(2) remains enforceable thereafter only if the security interest becomes enforceable under Section 9-203 before the year expires; and

(3) remains perfected thereafter only if the applicable requirements for perfection under this article are satisfied before the year expires.

(c) Special rule for cooperative interests: perfection requirements not satisfied. If, immediately before Revised Article 9 takes effect, a security interest in a cooperative interest is enforceable and would have priority over the rights of a person that becomes a lien creditor at that time, but

the applicable requirements for perfection under Revised Article 9 are not satisfied when Revised Article 9 takes effect, the security interest:

- (1) is a perfected security interest for 5 years after Revised Article 9 takes effect; and
- (2) remains perfected thereafter only if the applicable requirements for perfection under Revised Article 9 are satisfied before the 5 years expire.

§ 9-704. Security Interest Unperfected Before Effective Date

A security interest that is enforceable immediately before Revised Article 9 takes effect but which would be subordinate to the rights of a person that becomes a lien creditor at that time:

- (a) remains an enforceable security interest for one year after Revised Article 9 takes effect;
- (b) remains enforceable thereafter if the security interest becomes enforceable under Section 9-203 when Revised Article 9 takes effect or within one year thereafter; and
- (c) becomes perfected:
 - (1) without further action, when Revised Article 9 takes effect if the applicable requirements for perfection under Revised Article 9 are satisfied before or at that time; or
 - (2) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

§ 9-705. Effectiveness of Action Taken Before Effective Date

- (a) Pre-effective-date action; one-year perfection period unless reperfected. If action, other than the filing of a financing statement, is taken before Revised Article 9 takes effect and the action would have resulted in priority of a security interest over the rights of a person that becomes a lien creditor had the security interest become enforceable before Revised Article 9 takes effect,

the action is effective to perfect a security interest that attaches under Revised Article 9 within one year after Revised Article 9 takes effect. An attached security interest becomes unperfected one year after Revised Article 9 takes effect unless the security interest becomes a perfected security interest under Revised Article 9 before the expiration of that period.

(b) Pre-effective-date filing. The filing of a financing statement before Revised Article 9 takes effect is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under Revised Article 9.

(c) Pre-effective-date filing in jurisdiction formerly governing perfection. Revised Article 9 does not render ineffective an effective financing statement that, before Revised Article 9 takes effect, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Former Section 9-103. However, except as otherwise provided in subsections (d) and (e) and Section 9-706, the financing statement ceases to be effective at the earlier of:

(1) the time the financing statement would have ceased to be effective under the law of the jurisdiction in which it is filed; or

(2) June thirtieth, 2006.

(d) Continuation statement. The filing of a continuation statement after Revised Article 9 takes effect does not continue the effectiveness of the financing statement filed before Revised Article 9 takes effect. However, upon the timely filing of a continuation statement after Revised Article 9 takes effect and in accordance with the law of the jurisdiction governing perfection as provided in Part 3, the effectiveness of a financing statement filed in the same office in that jurisdiction before Revised Article 9 takes effect continues for the period provided by the law of that jurisdiction.

(e) Application of subsection (c) (2) to transmitting utility financing statement. Subsection (c) (2) applies to a financing statement that, before Revised Article 9 takes effect, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in Former Section 9-103 only to the extent that Part 3 provides that the law of a jurisdiction other than the jurisdiction in which the financing

statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(f) Application of Part 5. A financing statement that includes a financing statement filed before Revised Article 9 takes effect and a continuation statement filed after Revised Article 9 takes effect is effective only to the extent that it satisfies the requirements of Part 5 for an initial financing statement.

§ 9-706. When Initial Financing Statement Suffices to Continue Effectiveness of Financing Statement

(a) Initial financing statement in lieu of continuation statement. The filing of an initial financing statement in the office specified in Section 9-501 continues the effectiveness of a financing statement filed before Revised Article 9 takes effect if:

- (1) the filing of an initial financing statement in that office would be effective to perfect a security interest under Revised Article 9;
- (2) the pre-effective-date financing statement was filed in an office in another state or another office in this state; and
- (3) the initial financing statement satisfies subsection (c).

(b) Period of continued effectiveness. The filing of an initial financing statement under subsection (a) continues the effectiveness of the pre-effective-date financing statement:

- (1) if the initial financing statement is filed before Revised Article 9 takes effect, for the period provided in Former Section 9-403 with respect to a financing statement; and
- (2) if the initial financing statement is filed after Revised Article 9 takes effect, for the period provided in Section 9-515 with respect to an initial financing statement.

(c) Requirements for initial financing statement under subsection (a). To be effective for purposes of subsection (a), an initial financing statement must:

- (1) satisfy the requirements of Part 5 for an initial financing statement;
- (2) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and
- (3) indicate that the pre-effective-date financing statement remains effective.

§ 9-707. Amendment of Pre-effective-date Financing Statement

(a) “Pre-effective-date financing statement”. In this section, “pre-effective-date financing statement” means a financing statement filed before Revised Article 9 takes effect.

(b) Applicable law. After Revised Article 9 takes effect, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Part 3. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(c) Method of amending: general rule. Except as otherwise provided in subsection (d), if the law of this state governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after Revised Article 9 takes effect only if:

- (1) the pre-effective-date financing statement and an amendment are filed in the office specified in Section 9-501;
- (2) an amendment is filed in the office specified in Section 9-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies Section 9-706 (c); or
- (3) an initial financing statement that provides the information as amended and satisfies Section 9-706 (c) is filed in the office specified in Section 9-501.

(d) Method of amending: continuation. If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under Section 9-705 (d) and (f) or 9-706.

(e) Method of amending: additional termination rule. Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this state may be terminated after Revised Article 9 takes effect by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies Section 9-706 (c) has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Part 3 as the office in which to file a financing statement.

§ 9-708. Persons Entitled to File Initial Financing Statement or Continuation Statement

A person may file an initial financing statement or a continuation statement under this part if:

(a) the secured party of record authorizes the filing; and

(b) the filing is necessary under this part:

(1) to continue the effectiveness of a financing statement filed before Revised Article 9 takes effect; or

(2) to perfect or continue the perfection of a security interest.

§ 9-709. Priority

(a) Law governing priority. Revised Article 9 determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before Revised Article 9 takes effect, Former Article 9 determines priority.

(b) Priority if security interest becomes enforceable under Section 9-203. For purposes of Section 9-322(a), the priority of a security interest that becomes enforceable under Section 9-

203 of Revised Article 9 dates from the time Revised Article 9 takes effect if the security interest is perfected under Revised Article 9 by the filing of a financing statement before Revised Article 9 takes effect which would not have been effective to perfect the security interest under Former Article 9. This subsection does not apply to conflicting security interests each of which is perfected by the filing of such a financing statement.

§ 9-710. Transitional Provision for Maintaining and Searching Local-Filing Office Records

(a) In this Section:

(1) “Local-filing office” means a filing office, other than the department of state, that is designated as the proper place to file a financing statement under Section 9-401 of Former Article 9. The term applies only with respect to a record that covers a type of collateral as to which the filing office is designated in that section as the proper place to file.

(2) “Former-Article-9 records” means:

(A) financing statements and other records that have been filed in a local-filing office before the effective date of this Article, and that are, or upon processing and indexing will be, reflected in the index maintained, as of the effective date of this Article, by the local-filing office for financing statements and other records filed in the local-filing office before the effective date of this Article, and

(B) the index as of the day before the effective date of this Article.

The term does not include records presented to a local-filing office for filing after the effective date of this Article, whether or not the records relate to financing statements filed in the local-filing office before the effective date of this Article.

(3) “Cooperative interest”, “mortgage”, “as-extracted collateral”, “fixture filing”, “goods” and “fixtures” have the meanings set forth in this Article.

(b) A local-filing office must not accept for filing a record presented on or after the effective date of this Article, whether or not the record relates to a financing statement filed in the local-filing office before the effective date of this Article.

(c) Until at least seven years after the effective date of this Article, each local-filing office shall maintain all former-Article-9 records in accordance with Former Article 9. A former-Article-9 record that is not reflected on the index maintained on the day before the effective date of this Article by the local-filing office must be processed and indexed as soon as practicable but in any event no later than thirty days after the effective date of this Article.

(d) Until at least seven years after the effective date of this Article, each local-filing office shall respond to requests for information with respect to former-Article-9 records relating to a debtor and issue certificates, in accordance with Former Article 9. The fees charged for responding to requests for information relating to a debtor and issuing certificates with respect to former-Article-9 records shall be the fees in effect under Former Article 9 on the day before the effective date of this Article, unless a different fee is later determined in accordance with section ninety-six-a of the executive law.

(e) Subsequent to seven years after the effective date of this Article, each local-filing office may remove and destroy, in accordance with any then applicable record retention law of this state, all former-Article-9 records, including the related index.

(f) This section shall not apply, with respect to financing statements and other records, to a filing office in which mortgages or records of mortgages on real property are required to be filed or recorded, if:

- (1) the collateral is timber to be cut or as-extracted collateral; or
- (2) the record is or relates to a financing statement filed as a fixture filing and the collateral is goods that are or are to become fixtures; or
- (3) the collateral is a cooperative interest.
